SPARK ACTION - How To Lead Change

The Future of Work: Leaders Succeed in Disruption

Do you want to become a leader in the future of work? The future of work is rapidly changing, and leaders who are able to navigate this change will be the ones who succeed. In this guide, we explore the key skills and habits that will help you lead your team through disruption and emerge as a successful leader in the future of work.

1. Embrace Change
The future of work is full of uncertainty and change. Leaders who are able to embrace change and see it as an opportunity rather than a threat will be the ones who succeed. This means being open to new ideas, being willing to take risks, and being able to pivot when necessary.

2. Communicate a Clear Vision
Your team needs to know where you are going and why. A clear vision provides a sense of direction and purpose, and it helps to align everyone's efforts. Make sure your vision is clear, concise, and inspiring.

3. Check in Regularly
Your team needs to know how they are doing and how you are doing. Regular check-ins provide an opportunity for you to listen to your team, provide feedback, and offer support. This also helps to build trust and rapport between you and your team.

4. Be a Role Model
Your team will look to you for guidance and inspiration. Make sure you are modeling the behaviors and attitudes that you want to see in your team. This includes being open to change, being willing to take risks, and being able to pivot when necessary.

5. Communicate a Clear Vision
Your team needs to know where you are going and why. A clear vision provides a sense of direction and purpose, and it helps to align everyone's efforts. Make sure your vision is clear, concise, and inspiring.

6. Check in Regularly
Your team needs to know how they are doing and how you are doing. Regular check-ins provide an opportunity for you to listen to your team, provide feedback, and offer support. This also helps to build trust and rapport between you and your team.

7. Be a Role Model
Your team will look to you for guidance and inspiration. Make sure you are modeling the behaviors and attitudes that you want to see in your team. This includes being open to change, being willing to take risks, and being able to pivot when necessary.

The Future of Training in Psychotherapy and Counselling John Rowan,2014-02-25 The Future of Training in Psychotherapy and Counselling presents a revealing and stimulating account of the current state of training that demonstrates how training will have to adapt if it is to successfully meet the needs and challenges of the future In an attempt to look afresh at the whole question of training John Rowan proposes that there are three ways of doing therapy and any examination of training has to consider each of these the instrumental where the main emphasis is on the treating the client or patient the authentic way where the main emphasis is on meeting the client or patient the transpersonal way where main emphasis is on linking with the client in a more personal way Each approach makes different assumptions about the self

about the relationship and about the level of consciousness involved in doing therapy By challenging the basic precepts of traditional training John Rowan encourages the reader to reconsider subjects including the difference between counselling and psychotherapy culture and ethics the origins of disturbance in clients and child development The Future of Training in Psychotherapy and Counselling provides a much needed new perspective that will compel all psychotherapists and counsellors to take a closer look at training in the field
