Structure Of Being:

The Structure of Being in Aristotle's Metaphysics Jiyuan Yu,2003-09-30 This book develops a new interpretation of Aristotle s Metaphysics By exploring the significance of the long ignored distinction between being with regard to categories and being with regard to potentiality and actuality the author presents that Aristotle s science of being has two distinct aspects an investigation of the basic constituents of reality in terms of categories predication and definition and an investigation which deals with change process and order of the world
