## **Structured Inequality In Canada:**

*Structured Inequality in Canada* John Harp, John R. Hofley, 1980      *Structural Inequality in Canada*, 1980      **Ethnicity, Structured Inequality, and the State in Canada and the Federal Republic of Germany** Robin Ostow, 1991 This volume focuses on the reshaping of ethnicity in Berlin and Toronto that resulted from the economic stagnation industrial restructuring and return to conservative government in Canada and the Federal Republic of Germany in the 1980s It addresses a broad range of issues crystalizing around ethnicity inequality and the state It approaches these problems using such diverse methods as systems theory questionnaires interviews various quantitative measures and historical analysis Ethnicity is discussed as it functions at the workplace in the family in neighborhoods in immigrant and other organizations and in the immigrants relation to the state through its mediating bureaucracies      The Structure of the Canadian Capitalist Class Robert J. Brym, 1985      **The Canadian Class Structure** Dennis Forcese, 1997 This text is intended for the second or third year courses on stratification in Canada It offers a politically informed overview of class related inequalities in Canada The book has been thoroughly revised through the use of current examples and up to date empirical research      **Human Development and Social Power** Ananya Mukherjee Reed, 2008-06-17 In South Asia and beyond human development continues to be in a state of crisis Each successive Human Development Report HDR and the pervasive global failure to achieve the Millennium Development Goals are constant reminders of this crisis An equally and even more distressing dimension of human development is its great unevenness Even in cou      Regional Aspects of Canada's Economic Growth Alan G. Green, 1971-12-15 Regional disparities in income have been an important part of the growth of experience of most nation states Canada is no exception In a large country thinly populated and having a wide diversity of resources cultures and locational advantages it is only natural to expect the existence of dissimilar levels of economic performance In fact just this diversity of physical and human backgrounds has often provided the primary thrust for variations in natural economic growth If therefore a better understanding of national development is to be obtained some attention to the growth experience of the subnational units is imperative This study aims at widening our understanding of the Canadian growth process by focusing on the relationship between regional and national changes since the last decade of the nineteenth century      *Canadian Corporate Elite* Wallace Clement, 1975-01-15      *Racism and Anti-Racism in Canada* David Este, 2020-07-10T00:00:00Z Multiculturalism is regarded as a key feature of Canada s national identity Yet despite an increasingly diverse population racialized Canadians are systematically excluded from full participation in society through personal and structural forms of racism and discrimination Race and Anti Racism in Canada provides readers with a critical examination of how racism permeates Canadian society and articulates the complex ways to bring about equity and inclusion both individual and systemically      Richer and Poorer Anton L. Allahar, 1998      The Current Industrial Relations Scene in Canada, 1985      **The Canadian Class Structure** Henry Veltmeyer, 1986      *Transformative Constitutionalism in Latin*

*America* Armin von Bogdandy, Eduardo Ferrer Mac-Gregor, Mariela Morales Antoniazzi, Flávia Piovesan, Ximena Soley, 2017-07-21 This ground breaking collection of essays outlines and explains the unique development of Latin American jurisprudence It introduces the idea of the *Ius Constitutionale Commune en Am rica Latina* ICCAL an original Latin American path of transformative constitutionalism to an Anglophone audience for the first time It charts the key developments that have transformed the region and assesses the success of the constitutional projects that followed a period of authoritarian regimes in Latin America Coined by scholars who have been documenting conceptualizing and comparing the development of Latin American public law for more than a decade the term ICCAL encompasses themes that cross national borders and legal fields taking in constitutional law administrative law general public international law regional integration law human rights and investment law Not only does this volume map the legal landscape it also suggests measures to improve society via due legal process and a rights based supranational and regionally rooted constitutionalism The editors contend that with the strengthening of democracy the rule of law and human rights common problems such as the exclusion of wide sectors of the population from having a say in government as well as corruption hyper presidentialism and the weak normativity of the law can be combatted more effectively in future

**The Structure of Canadian History** John L. Finlay, Douglas N.

Sprague, 1989 *Algemene politiek sociaal economische geschiedenis van Canada* **How Societies Work, 5th Edition** Joanne Naiman, 2020-04-28T00:00:00Z In 2011 protesters around the world including Canada called for changes to the societies in which they live Many observers were asking What do they want Some answers to this question can be found in *How Societies Work* a unique and accessible introductory sociology textbook that introduces students to the structure of contemporary societies and the power relationships within them In contrast to most introductory textbooks *How Societies Work* explores a broad range of sociological concepts and theories while simultaneously creating a coherent picture of modern societies Drawing on fields as diverse as anthropology genetics economics social psychology history and politics this innovative and popular text looks at both the roots of modern societies and the current structures within them This approach helps undergraduate students make sense of our complex social world and encourages them to connect the social world to their own lived experiences This extensively revised and updated fifth edition includes discussions of the roots of the recent global economic crisis and worldwide responses to it growing social inequality broader global struggles for change the growth of the security state in Canada and the sudden resurgence of political protest in North America The final chapter looks to the future examining such issues as the possible consequences of climate change increased forced migration of peoples and the changing dynamic of global power More boxes quotes and think about it elements have been added to the fifth edition while the language clarity of presentation and many examples make it even more accessible to readers It is an introductory textbook that truly engages students in the sociological imagination This fifth edition is presented in a large format making it easier to read and even more student friendly A testbank and power point presentation are available for

instructors upon request      **Canada** Ernest Ingles,1990      *The Conceptual Foundations of Transitional Justice* Colleen Murphy,2017-04-19 Many countries have attempted to transition to democracy following conflict or repression but the basic meaning of transitional justice remains hotly contested In this book Colleen Murphy analyses transitional justice showing how it is distinguished from retributive corrective and distributive justice and outlines the ethical standards which societies attempting to democratize should follow She argues that transitional justice involves the just pursuit of societal transformation Such transformation requires political reconciliation which in turn has a complex set of institutional and interpersonal requirements including the rule of law She shows how societal transformation is also influenced by the moral claims of victims and the demands of perpetrators and how justice processes can fail to be just by failing to foster this transformation or by not treating victims and perpetrators fairly Her book will be accessible and enlightening for philosophers political and social scientists policy analysts and legal and human rights scholars and activists
