The Key To Palmistry:

The Key to Palmistry Litzka R. Gibson, 1963 [The Key to Palmistry](#) Leona Lehman, 1963 [Palm Reading for Beginners](#) Richard Webster, 2012-07-08 Palm reading is a lot easier than you may think No cards no coins no charts of the planets just a hand and the knowledge in this book Whether your interest is serious or casual Palm Reading for Beginners will open a world of insight into yourself your friends your family and your future Announce in any gathering that you read palms and you will be flocked by people thrilled to show you their hands When you are have finished Palm Reading for Beginners you will be able to look at anyone s palm including your own and confidently and effectively tell them about their personality love life hidden talents career options prosperity and health **The Best Knowledge of Palmistry II** Ram Babu Sao, 2025-11-15 The book **The Best Knowledge of Palmistry II** is a unique book which is very informative and also easy to understand One book is truly the equivalent of several books on palmistry Palmistry is a science of understanding the Past Present and Future of a person by the pads and lines of a palm The Laws of Manu and the Vasishta Rules about the Palm reading are found in the earliest known scriptures in the ancient Vedic literature of India They include a list of rules given to guide the ascetic in the correct way to lead the religious life This is the ancient story that how the Indians used palmistry to speculate about the future of a human being The Indian palmists focus on the tiny little marks of the hand like lines spots moles However while predicting many other features hands are also considered and no single sign or line can determine or reveal the final prediction Palmistry has early origins in many regions According to Brahmanism records and many mural relics in India palmistry was popular in ancient India Palmistry also has a long history in China since the Zhou Dynasty 1045 256 BC more than 3 000 years ago The first relatively systematic work of palmistry in China appeared in the Western Han Dynasty 206 BC 9AD It was considered to be a part of the physiognomy Good health means a perfect balance between the body mind and soul This can be gauged by the knowledge of palmistry Palmistry isn t only about character analysis or fortune telling it s a powerful tool in preventing illness Lots of underlying health conditions show on the palm months before they manifest as health problems A person may consult the physician and get a professional opinion about any suspected disease Palmistry from the medical point of view has emerged as a science in its own right that has helped doctors and patients alike in diagnosing difficult diseases If you have intuition or the power of suggestion and knowledge of reasoning and wisdom you can help your friends as well as yourself to maintain better health Today Palmistry is no longer considered an occult science It has fast been gaining a reputation for diagnosing symptoms that would otherwise take years to manifest themselves Palmistry will help you with a quick medical check up in advance Good health is the money and Prosperity You can make predictions of lots of underlying health conditions shown on the palm even months before they manifest as health problems Thus you may find out any kind of suspected disease in your palm or the palm of any member of your family with the help of this single book This provides some of the elementary and in depth essential elements of complete palm predictions Many of

the basics of palmistry are explained in detail *The Practice of Palmistry for Professional Purposes* C. de Saint-Germain, 1897 Palmistry, a True Science Anu Venkat, 2002 The book PALMISTRY A TRUE SCIENCE is a carefully compiled book which contains 13 theories 210 sketches of lines of the human palms 64 case studies 61 clearly and uniquely taken palm impressions Ever since the origination of this subject this is the first time that the human palms have been thoroughly analyzed with reference to both the palms For the author the left hand and the right hand of 1000 s of cases functioned as one whole comprehensive unit to enable him to compare the structural inter relationships between different lines The net result was that he could decipher the differences in dimensions between the left and the right palms such as difference in lengths slope shortness direction location fading characteristics whether present in one or both the palms etc The above aspect in his approach to the research was aimed at finding just the structural aspects of the lines on human palms The other side of the coin is to relate the functions events diseases and temperaments to the line patterns already discovered by the author For this part of the research he had to employ sophisticated techniques that only an investigator a logician an analyst or a statistician could have employed In other words the author employed some of the appropriate human qualities such as tact wildest imagination deep analytical power trial and error method wild guesses and compilation techniques so that he could bind together all the varied structural and functional extravaganzas present in the hands of his innumerable clients into cohesive presentable as well as verifiable rules and theories Keeping in mind the vast dimension of this great science the author could accommodate only 3 functions MONEY and BUSINESS JOB CAREER and OVERSEAS TRAVEL STAY in this book His forthcoming books deal with other life events diseases and human temperaments This book boasts of so many firsts To quote some examples 1 No book has documented any provable testable theories 13 in number in such a minute degree In the process this book has secured an exalted status to PALMISTRY as a TRUE SCIENCE It goes without saying that palm reading is a scientific exercise on par with any other science 2 No book has featured as many as 64 case studies and 61 clear palm impressions A very high number of real examples for a book of this genre an all time record all accommodated in just 250 pages 3 One among many highlights of the book is that almost all the palm impressions have been marked out and their corresponding functions indicated A first time ever phenomenon which enhances its authenticity as well as proves its scientific nature 4 Genuineness of the whole venture lies in the fact that the whole edifice of this book rests on the solid foundation of real life events diseases temperaments of all his clients Principles rules and theories all derived from these real stories 5 And the people the world over are going to be exposed to an entirely new subject for the most part of the book about 95% is hitherto unheard of 6 Last but not the least this book has the great potential to spawn a new breed of researchers as this subject has immense scope for further research In a world of continuing research even one discovery fetches world acclaim and recognition one can imagine what lies in store for this book which has innumerable discoveries dotting the entire book Dear Readers Please watch out for NEW WINE IN A NEW BOTTLE The author can be
