One subplot deals with the death of Mrs Proudie the virago wife of the Bishop of Barchester and his subsequent grief and collapse Mrs Proudie upon her arrival in Barchester in Barchester Towers had increased the tribulations of the gentle Mr Harding title character of The Warden he dies of a peaceful old age mourned by his family and the old men he loved and looked after as Warden The Last Chronicle of Barset Anthony Trollope,2011-11-16 The Last Chronicle of Barset 1867 is the novel that Anthony Trollope considered his masterpiece In the course of the last century and a half Trollope s county of Barset has become one of English literature s most celebrated fictional landscapes This sixth and final novel in the Barsetshire series revolves around the proud hardworking and impecunious Reverend Josiah Crawley curate of the poor parish of Hogglestock and his brush with disaster Crawley stands accused of a theft but as he is uncertain himself as to the truth of the matter he is unable to offer a defense and retreats into self doubt and shame The community is bitterly divided between those who wish to help him and those convinced of his guilt the latter headed by Mrs Proudie the bishop s forceful wife Meanwhile Crawley s daughter Grace has captured the affection of Archdeacon Grantly s son Henry but her father s scandal stands in the way of their marriage The solution to the mystery the downfall of Mrs Proudie and the resolution of the fates of many other beloved characters including Septimus Harding Johnny Eames and Lily Dale bring the famous Barsetshire chronicles to a splendid conclusion The Last Chronicle of Barset provides a brilliant example of Trollope s ability to render a highly individual society with such detail and force that it comes to reflect every society in any age **The Last Chronicle of Barset. **The LAST CHRONICLE of BARSET, New Edition** Anthony Trollope,2016-02-06 I can never bring myself to believe it John said Mary Walker the pretty daughter of Mr George Walker attorney of Silverbridge Walker and Winthrop was the name of the firm and they were respectable people who did all the solicitors business that had to be done in that part of Barsestshire on behalf of the Crown were employed on the local business of the Duke of Omnium who is great in those parts and altogether held their heads up high as provincial lawyers often do They the Walkers lived in a great brick house in the middle of the town gave dinners to which the county gentlemen not unfrequently condescended to come and in a mild way led the fashion in Silverbridge I can never bring myself to believe it John said Miss Walker You ll have to bring yourself to believe it said John without taking his eyes from his book A clergyman and such a clergyman too I don t see that that has anything to do with it And as he now spoke John did take his eyes off his book Why should not a clergyman turn thief as well as anybody else You girls always seem to forget that clergymen are only men after all Their conduct is likely to be better than that of other men I think I deny it utterly said John Walker I ll undertake to say that at this moment there are more clergymen in debt in Barsestshire than there are either lawyers or doctors This man has always been in debt Since he has been in the county I don t think he has ever been able to show his face in the High Street of Silverbridge John that is saying more than you have a right to say said Mrs Walker Why mother this very cheque was given to a butcher who had threatened a few days before to post bills all about the county giving an account of the debt that was due to him if the money was not paid at once More shame for Mr Fletcher said Mary He has made a fortune as butcher in Silverbridge What has that to do with it Of course a

man likes to have his money He had written three times to the bishop and he had sent a man over to Hoggstock to get his little bill settled six days running You see he got it at last Of course a tradesman must look for his money Mamma do you think that Mr Crawley stole the cheque Mary as she asked the question came and stood over her mother looking at her with anxious eyes I would rather give no opinion my dear But you must think something when everybody is talking about it mamma Of course my mother thinks he did said John going back to his book It is impossible that she should think otherwise That is not fair John said Mrs Walker and I won t have you fabricate thoughts for me or put the expression of them into my mouth The whole affair is very painful and as your father is engaged in the inquiry I think that the less said about the matter in this house the better I am sure that that would be your father s feeling Of course I should say nothing about it before him said Mary I know that papa does not wish to have it talked about But how is one to help thinking about such a thing It would be so terrible for all of us who belong to the Church I do not see that at all said John Mr Crawley is not more than any other man just because he s a clergyman I hate all that kind of clap trap There are a lot of people here in Silverbridge who think the matter shouldn t be followed up just because the man is in a position which makes the crime more criminal in him than it would be in another But I feel sure that Mr Crawley has committed no crime at all said Mary My dear said Mrs Walker I have just said that I would rather you would not talk about it Papa will be in directly I won t mamma only Only yes just only said John She d go on till dinner if any one would stay to hear her You ve said twice as much as I have John But John had left the room before his sister s last words could reach him

The crime laid to his charge was the theft of a cheque for twenty pounds, which he was said to have stolen out of a pocket book left or dropped in his house and to have passed as money into the hands of one Fletcher, a butcher of Silverbridge, to whom he was indebted. But among the very poor among the brickmakers of Hoggle End, a lawless, drunken, terribly rough lot of humanity, he was held in high respect for they knew that he lived hard, as they lived; that he worked hard, as they worked; and that the outside world was hard to him, as it was to them, and there had been an apparent sincerity of godliness about the man, and a manifest struggle to do his duty in spite of the world's ill usage, which had won its way even with the rough, so that Mr. She was living now at a school in Silverbridge, where for the last year she had been a teacher, and there were many in Silverbridge who declared that very bright prospects were opening to her; that young Major Grantly of Cosby Lodge, who though a widower with a young child was the cynosure of all female eyes in and round Silverbridge, had found beauty in her thin face, and that Grace Crawley's fortune was made in the teeth, as it were, of the prevailing ill fortune of her family. Her husband had told her one morning, when the butcher's threat was weighing heavily on his mind, speaking to her in such a humour that she found it impossible to cross-question him that he had still money left, though it was money which he had hoped that he would not be driven to use.

and he had given her the four five pound notes and had told her to go to Silverbridge and satisfy the man who was so eager for his money It has been said that Major Grantly had thrown a favourable eye on Grace Crawley by which report occasion was given to all men and women in those parts to hint that the Crawleys with all their piety and humility were very cunning and that one of the Grantlys was to say the least of it very soft admitted as it was throughout the county of Bassetshire that there was no family therein more widely awake to the affairs generally of this world and the next combined than the family of which Archdeacon Grantly was the respected head and patriarch

Anthony Anthony Trollope, 2021-02-22 When Reverend Josiah Crawley is accused of theft the people of tiny Hogglestock quickly take sides about his guilt or innocence By the end of the novel the reader learn that it was all a misunderstanding but Anthony Trollope reveals the workings of social pressure and the ripple effects emanating from this small town s crime Reverend Crawley uses a check to pay his bill at the butcher s but later cannot explain how he got the check As the news of the alleged theft spreads the Church authorities decide to act against him The Bishop of Bassetshire based in the city of Barchester is constantly goaded into righteous zeal by his ambitious wife Bishop Proudie forbids Reverend Crawley to hold services until the case is settled but Crawley refuses This complicates the situation because even some of his supporters criticize Crawley for arrogance
