## **The Planetarization Of Consciousness:**

*The Planetarization of Consciousness* Dane Rudhyar, 1972      **The Planetarization of Consciousness** Dane Rudhyar, 1977 This is Rudhyar's major philosophical and psychological work the concentrated outcome of a lifetime concerned with the most basic problems of human existence and the meaning of radical social cultural crisis mankind is experiencing Rudhyar has been for years an apostle of world integration based on the interpretation of Eastern and Western concepts and attitudes to life He sees emerging a global society and through the world wide interaction of all cultures a new type of planetary consciousness which for the first time will reveal in its fullness the potential of man The Planetarisation is essentially an act of faith in Man Man as a microcosm of the universe Man as a reality that transcends the physical organism all localisms and nationalisms and in whom spirit and matter can unite in a Divine Marriage productive of ever new and greater creative tomorrows      **The Planetarization of Consciousness. Pref. by Oliver Reiser** Dane Rudhyar, 1970

International Environmental Law, Volume I Paula M. Pevato, 2017-11-22 This title was first published in 2003 Viewed as a prelude to a broader spectrum of perspectives and approaches captured within international protection of the environment these volumes offer an invitation to further exploration Covering a broad array of topics the essays chosen convey pivotal breakthroughs in international environmental law      **Lucid Waking** Georg Feuerstein, 1997-08-01 A noted scholar of Eastern philosophy explains how to make the experience of heightened awareness a part of everyday life and how this can transform the planet Lucid waking means bringing an intense awareness to the business of living by meeting the challenges of existence sanely creatively and philosophically It is the goal of all the great spiritual traditions of the world Georg Feuerstein shows how this awareness is quietly emerging in individuals in the West after a prolonged spiritual slumber Lucid Waking shows us that it is possible to be so vividly engaged in life that it will seem as though others are sleepwalking by comparison Feuerstein brings clarity to the often murky concepts of soul spirit imagination wholeness and enlightenment providing a sensible accounting of higher consciousness and self transcendence in modern life as we approach the millennium Rich with philosophy and insight from one of our most gifted chroniclers of the inner experience Lucid Waking is a statement of unshakable faith in the great potential of humanity      **Should Trees Have Standing?** Christopher D. Stone, 2010-04-07 In this influential and enduring collection of essays Christopher D Stone argues that natural objects such as trees should be bestowed with legal rights through the appointment of special guardians who are designated to protect the voiceless elements in nature Through the essays in this volume Stone advances his thesis that the courts should acknowledge and protect the legal rights of threatened forests and endangered species by granting standing to objects and species themselves as opposed to the humans that are adversely affected by pollution deforestation and other harmful actions The 35th anniversary edition features updated chapters and new essays including Stone's most compelling writings on topics such as legal rights for natural objects climate change agriculture in the 21st century protecting the oceans and the influence

of ethics on courts and Congress in shaping U S environmental policy A new Introduction and Epilogue Trees at Thirty Five narrate the reception of Stone s central thesis in various countries and appraise the present state of the environmental movement
