Who Crucified Jesus:

The Crucified Jew Max Hunterberg, 1927 **Crucified J.** Christopher Edwards, 2023-10-03 Historians of early Christianity unanimously agree that Jesus was executed by Roman soldiers This consensus extends to members of the general population who have seen a Jesus movie or an Easter play and remember Roman soldiers hammering the nails However for early Christians the detail that Jesus was crucified by Roman soldiers under the direction of a Roman governor threatened their desire for a stable existence in the Roman world Beginning with the writings found in the New Testament early Christians sought to rewrite their history and shift the blame for Jesus s crucifixion away from Pilate and his soldiers and onto Jews During the second century a narrative of the crucifixion with Jewish executioners predominated During the fourth century this narrative functioned to encourage anti Judaism within the newly established Christian empire Yet in the modern world there exists a significant degree of ignorance regarding the pervasiveness or sometimes even the existence of the claim among ancient Christians that Jesus was executed by Jews This ignorance is deeply problematic because it leaves a gaping hole in our understanding of what for so long was the direct underpinning of Christian persecution of Jews Moreover it excuses from blame the venerated ancient Christian authors who constructed and perpetuated the claim that the Jews executed Jesus And on an unconscious level it may still influence Christians understanding of Jews and Judaism *The Crucifixion of Jesus* Gerard Stephen Sloyan, What was crucifixion Why was Jesus of Nazareth executed and what really happened Gerard Sloyan begins with history and traces the development of the New Testament accounts of Jesus death He shows how Jesus death came to be seen as sacrificial and how the evolving understandings of Jesus death affected those who suffered most from it the Jews He then traces the emergence and development in theology liturgy literature art of the conviction that Jesus death was redemptive as seen both in soteriological theory from Tertullian to Anselm in the Reformation and modern eras and in more popular religious responses to the crucifixion Especially fascinating is the story of the emergence of a distinct Passion piety that still characterizes the West In all this Sloyan detects the separation of the cross from Jesus life and resurrection allowing the mythicizing of an event too large for mere words to handle the mystery of the cross Who Crucified Jesus? Solomon Zeitlin, 1964 **The Trial and Crucifixion of Jesus** David W. Chapman, Eckhard J. Schnabel, 2019-01-01 The Trial and Crucifixion of Jesus is a comprehensive sourcebook for those looking to gain a more robust understanding of this event through the eyes of ancient writers Featuring extrabiblical primary texts along with a new translation and commentary by David W Chapman and Eckhard J Schnabel this work is relevant for understanding Jesus last days The significance of Jesus death is apparent from the space that Matthew Mark Luke and John devote to the Passion narrative from the emphasis of many speeches in the book of Acts and from the missionary preaching and the theology of the apostle Paul Exegetical discussions of Jesus trial and death have employed biblical Old Testament and extrabiblical texts in order to understand the events during the Passover of AD 30 that led to Jesus execution by crucifixion The purpose of this

book is to publish the primary texts that have been cited in the scholarly literature as relevant for understanding Jesus trial and crucifixion. The texts in the first part deal with Jesus trial and interrogation before the Sanhedrin and the texts in the second part concern Jesus trial before Pilate. The texts in part three represent crucifixion as a method of execution in antiquity. For each document the authors provide the original text (Hebrew, Aramaic, Greek or Latin), a translation and commentary. The commentary describes the literary context and the purpose of each document in context before details are clarified along with observations on the contribution of these texts to understanding Jesus trial and crucifixion.

Who Killed Jesus? John Dominic Crossan, 2009-10-20. The death of Jesus is one of the most hotly debated questions in Christianity today. In his massive and highly publicized *The Death of the Messiah*, Raymond Brown, while clearly rejecting anti-Semitism, never questions the essential historicity of the passion stories. Yet it is these stories in which the Jews decide Jesus' execution that have fueled centuries of Christian anti-Semitism. Now in his most controversial book, John Dominic Crossan shows that this traditional understanding of the Gospels as historical fact is not only wrong but dangerous. Drawing on the best of biblical, anthropological, sociological and historical research, he demonstrates definitively that it was the Roman government that tried and executed Jesus as a social agitator. Crossan also candidly addresses such key theological questions as: Did Jesus die for our sins and is our faith in vain if there was no bodily resurrection? Ultimately, however, Crossan's radical reexamination shows that the belief that the Jews killed Jesus is an early Christian myth directed against rival Jewish groups that must be eradicated from authentic Christian faith.

The World's Sixteen Crucified Saviors; Or Christianity Before Christ. Containing ... Revelations ... which Disclose the Oriental Origin ... of the Christian New Testament. ... Second Edition, Revised and Enlarged Kersey GRAVES, 1875

The Characters of the Crucifixion Joseph Fichtner, 2000. Fichtner offers a striking retelling of the passion narrative that enables anyone to participate in the crucifixion today as a Peter, Mary Magdalene or Mary Mother of Jesus, not only in suffering but also in the triumph. He vividly retells 38 of Jesus' stories by characterizing 15 people who are somehow involved in the crucifixion of Christ. Each presentation concludes with a reflection prayer which updates the event of the crucifixion and shows its personal and social implications.

What Crucified Jesus? Ellis Rivkin, 2012-10-01. In his Preface to this book, Professor E. P. Sanders writes: "In the last several decades the study of the New Testament has been often enriched by the contributions of Jewish scholars who bring to it not only knowledge of Jewish material but also fresh perspectives. One thinks, for example, of C. G. Montefiore, I. Abrahams, Joseph I. Lausner, Paul Winter, Samuel Sandmel and Geza Vermes. Ellis Rivkin is now to be added to this distinguished list. His study deals with only one issue in the New Testament but one of central importance: the cause or causes of the death of Jesus. The book is brilliantly conceived and admirably argued. While there are some details about which one might disagree, the overall argument is in my judgment completely convincing. This study should help shift the discussion of the historical Jesus on to a firmer historical basis. As we understand more clearly the environment in which

he lived and what it was which led to his execution we should also come to understand his life and message better Professor Rivkin s book is especially welcome because it is so readable I hope that everyone interested in the life and times of Jesus of Nazareth will give it heed **The Trial and Crucifixion of Jesus Christ of Nazareth** M. Brodrick,1908 Jesus of Nazareth neither baptised nor slain by Jew or Gentile George W. Bartle,1877 **The Land of God** Yang Xiaoli M.A., God s Promise to the Chinese God created the heavens and the earth He created everything from nothingness God exists forever without reason Nature including stars mountains rivers sky clouds flowers trees seasons the universe that operates orderly has been declaring the glory of God and proclaiming the wondrous and mighty works of God God is spirit Only those whose spirit is alive to Him can see and perceive God and the things of Him Since the first man sinned and refused to repent which caused man s spiritual death to God man is no longer spiritual but worldly After that man has been blind and deaf to God and His mighty works For instance man takes it for granted that the orderly operated nature came into being by itself **The New Testament of Our Lord and Saviour Jesus Christ** ,1890 **Who Crucified Jesus Christ?** Wesley A.
