Who Is Deborah:

Women of the Bible: Deborah's Story: A Novel Ann Burton, 2006-08-01 The Bible is filled with women of faith bravery and cunning Here is one woman s tale as it might have happened Wake up wake up Deborah Wake up wake up break out in song Arise O Barak Take captive your captives O son of Abinoam Judges 5 12 Though Deborah s master has abused her for as long as she can remember there is one thing he cannot take from her her nightly dream of a stranger destined to bring her joy Then by a twist of fate and with an act of courage Deborah manages to save the life of Lappidoth the man she soon realizes is her dream lover by warning him that her master is plotting against him Furious Deborah s master sentences her to death But Lappidoth saves her life Now as she recovers in his house Deborah s dreams all come to pass so she puts her gift to use And so will Deborah be known as a heroine in Israel s fight against the Canaanites a prophetess for God s chosen people and one of the greatest judges of all time

Deborah's Daughters Joy A. Schroeder, 2014 Joy A Schroeder offers the first in depth exploration of the biblical story of Deborah an authoritative judge prophet and war leader For centuries Deborah s story has challenged readers traditional assumptions about the place of women in society Schroeder shows how Deborah s story has fueled gender debates throughout history An examination of the prophetess s journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women for women and by women who aspired to leadership roles in religious communities and society Numerous women and men who supported women s aspirations to leadership used Deborah s narrative to justify female claims to political and religious authority Opponents to women s public leadership endeavored to define Deborah s role as private or argued that she was a divinely authorized exception not to be emulated by future generations of women Deborah s Daughters provides crucial new insight into the history of women in Judaism and Christianity and into women s past and present roles in the church synagogue and society
