Who Is My Daddy:

Who is My Daddy K.B. Chandler, 2025-11-20 WHO IS MY DADDY Mother's terrible secret This is a story about a young boy growing up without knowing who his father was to guide or advise him on the pitfalls of life This account covers from a very young age through to an age when he is about to enter the adult world on his own All the author had during this period knowing a person I called Daddy was my mother's Common Law Husband known as a Partner in today's vernacular which was a life of brutality incessant beatings and physical and mental abuse Who was my Daddy Over the years I have got nearer to the truth although my mother and her FAMILY had kept a deep dark secret to the end You the reader must make up your own mind about what follows Everything that is written is how I recall what happened to me during my short stay on this wonderful planet Life still goes on now way into my retirement years and listening to friends and veterans talking about their accounts of their early life experiences has encouraged me to put mine on record **My Dad's Funnier than Your Dad**

Kelly Conway, 2021-12-30 Comic and television star Tim Conway The Carol Burnett Show McHale's Navy Dorf enjoyed enormous popular appeal In this humorous loving and surprising memoir Tim's eldest of his six children Kelly reveals that the Conway home life was as riotous as some of her father's legendary comedy sketches Kelly Conway allows readers an intimate look at an American childhood set in 1970s and 80s Los Angeles from the studios of CBS to the racetrack of Santa Anita Park where her father taught his kids the art of horse betting Tim Conway took his hilarious creativity off the set to the family home where he acted as the ringmaster to six unruly lion cubs and often lit the fuse of their short tempered mother Mary Anne Kelly takes us through the fascinating world of entertainment from the lens of her dad's television stardom to her own career in costume design and wardrobe styling using the lessons her father taught her about holding her own in the often cruel world of show business But it's not until Kelly realizes that she must find the courage to fight for her dad when he faces a devastating life change that her steadfast commitment to him becomes clear although it will mean losing lifelong relationships and at times facing harsh criticism My Dad's Funnier Than Your Dad is Kelly's love letter to her father an account of the warm laugh filled world of her childhood And when life brings sadness instead of smiles it's the mutual respect and fierce devotion that Kelly shares with her famous father which ultimately defines the true meaning of love **Prairie**
