REVIEWS FROM AMAZON COM Very Original September 10 2005 Reviewer Greg Gibson BookCrazed New York NY This was an intelligently written murder mystery with a creative serialistic killer that plays a game with the protagonist of the book FBI Agent Hank Garrison trying to see just how great of a detective he really is The mystery keeps unfolding as more and more bodies are becoming slaughtered This is certainly not a brainless murder mystery I found myself thinking a lot about what was going on and what potentially could happen next Each chapter ended in a way that left me in suspense and I had to keep on reading just to see what happened next The short chapters made the book hard to put down and lent to its fast paced thriller aspect You will find yourself trying to figure out who the killer is who the next victim will be and why the murders are taking place in the first place Every character is set up so that each one could potentially be the criminal mastermind behind all the bloodshed but each one could also just as easily be the next victim The story is well thought out and certainly engaging Throughout the whole book the plot continuously builds and the mystery begins unfolding as more and more bodies and evidence pile up The ending is excellent with a shock inducing final chapter It's a great debut and I found it to be very intriguing I also loved the foreshadowing the author uses throughout Two thumbs up on this one for the 22 year old author

GREAT GAME July 10 2005 Reviewer Paul Tampa FL FIVE STARS I read a lot of mystery novels in my spare time and I came across The Killing Game by word of mouth I figured it was time to veer away from all the older mystery authors so I gave this first time young author a chance and read the book I am glad that I did The book is absolutely engaging It has a great storyline and many clever plot twists I felt like a real detective with every turn of the page The chapters are quick which makes you want to continue reading and it becomes hard to put it down and take a break It draws you in from the beginning and leaves you in awe at the end I liked it a lot A Must Read July 16 2005 Reviewer MAC Rhode Island FIVE STAR The Killing Game was a suspenseful novel that keeps the reader on the edge of their seat Through the entire novel you are kept guessing The novel is well written and well thought out You never want to put it down If you enjoy mystery novels this book is a must read Highly recommended Reviews from BarnesandNoble com Ted A reviewer September 7 2005 Awestruck If you're looking for a book that will keep you up until you are finished I would buy this one It was impossible to put down More twists and turns than a rollercoaster and every time I felt like I solved the mystery I was thrown a curve What a great read

The Killing Game (An Alexa Chase Suspense Thriller—Book 1) Kate Bold, 2021-10-15 Alexa Chase 34 a brilliant profiler in

the FBI's Behavioral Analysis Unit was too good at her job. Haunted by all the serial killers she caught, she left a stunning career behind to join the U.S. Marshals. As a Deputy Marshal, Alexa is fit and as tough as she is brilliant, could immerse herself in a simple career of hunting down fugitives and bringing them to justice. This is an excellent book. When you start reading, be sure you don't have to wake up early.

Reader review for The Killing Game: THE KILLING GAME An Alexa Chase Suspense Thriller. Book 1 is the debut novel in a new series by mystery and suspense author Kate Bold. When a notorious serial killer escapes from a prison transport, it crosses the jurisdictions of the U.S. Marshals and the FBI's BAU. The two departments are forced to come together on a new joint task force to hunt down the fugitive serial killer and bring him to justice. Alexa, to her dread, finds herself forced to confront the thing she fears the most: entering a killer's mind. Doing so, again, she knows may just drag her down for good. Alexa and her new partner each territorial, don't take well to each other. Between their tension and all the clues leading to dead ends and the bodies piling up on the killer's spree, Alexa knows that she's up against a ticking clock, can't afford to get this wrong. Especially when she realizes that she herself may be the next target. To find this diabolical killer, Alexa will have to do what she fears most: enter his twisted mind before he can strike again. It's a life and death game of cat and mouse, and it's winner takes all. But will the darkness swallow her whole?

A page-turning and harrowing crime thriller featuring a brilliant and tortured Deputy Marshal, the ALEXA CHASE series is a riveting mystery packed with non-stop action, suspense, twists, and turns, revelations, and driven by a breakneck pace that will keep you flipping pages late into the night. Books 2-6 in the series: THE KILLING TIDE, THE KILLING HOUR, THE KILLING POINT, THE KILLING FOG, and THE KILLING PLACE are also available. This book moved very fast, and every page was exciting. The Killing Game Gary Webb, 2011-01-04 Gary Webb had an inborn journalistic tendency to track down corruption and expose it For over thirty four years he wrote stories about corruption from county state and federal levels He had an almost magnetic effect to these kinds of stories and it was almost as if the stories found him It was his gift and ultimately it was his downfall He was best known for his story *Dark Alliance* written for the San Jose Mercury News in 1996 In it Webb linked the CIA to the crack cocaine epidemic in Los Angeles during the Iran Contra scandal His only published book *Dark Alliance* is still a classic of contemporary journalism But his life consisted of much more than this one story and *The Killing Game* is a collection of his best investigative stories from his beginning at the Kentucky Post to his end at the Sacramento News Review

It includes Webb's series at the Kentucky Post on organized crime in the coal industry at the Cleveland Plain Dealer on Ohio State's negligent medical board and on the US military's funding of first person shooter video games The Killing Game is a dedication to his life's work outside of Dark Alliance and it's an exhibition of investigative journalism in its truest form
