**The Empty Glass** J.I. Baker,2013-04-30 J I Baker takes a bold run into Cain and DeLillo territory and scores Barry Gifford author of *Wild at Heart* In the early morning hours of August 5 1962 Los Angeles County deputy coroner Ben Fitzgerald arrives at the home of the world s most famous movie star now lying dead in her bedroom There he discovers *The Book of Secrets* Marilyn Monroe s diary revealing a doomed love affair with a man she refers to only as The General In the following days Ben unravels a cover up that implicates the Kennedys the Mafia and the CIA Soon the sinister and surreal accounts recorded in *The Book* bleed into Ben s own life and he finds himself trapped like Monroe in a deepening paranoid conspiracy A knockout combination of fact and legend *The Empty Glass* is a riveting debut thriller *The Empty Church* Shannon Craigo-Snell,2016-08 Why go to church What happens in church and why does it matter *The Empty Church* presents fresh answers to these questions by creating an interdisciplinary conversation among performance studies theater directors and Christian theologians The result is a compelling depiction of church as a performative relationship with Jesus Christ mediated by Scripture in hope of the Holy Spirit *The Empty Too* Arthur Broomfield,2014-06-26 This engaging and often controversial study of Beckett s works argues that for Beckett pure language is reality Taking its title from a sentence in *Worstward Ho* this rigorous reading of Beckett s key texts claims that what we perceive in the existential world can never be proved to exist while language survives scrutiny and will go on to become the real once it has been divested of its connection to the corporeal This book draws on the major philosophers to support this thesis but in so doing argues that Beckett s thinking surpasses all of theirs because Beckett s art is his philosophy and his philosophy is his art For Beckett pure language is beyond the text it is the unrepresentable presence Hamm s life to come *Healing the Empty Nester's Grieving Heart* Alan Wolfelt,2017-04-01 You ve spent most of your adult life focused on the care and raising of your children and now they re leaving For you and for them this major transition is often challenging in many ways You may feel surprised at the power of your grief a confusing mixture of sadness hope emptiness fear excitement and other emotions all at once This book by one of the world s most beloved grief counselors helps parents understand their normal and necessary empty nester grief The 100 practical tips and activities are designed to help you acknowledge and express your feelings of loss foster love and respect and over time find ways to re instill your life with meaning Advice is also offered for nurturing a marriage or partnership through this challenging time **The Empty House Mystery: A Ted Wilford Mystery** Norvin Pallas,2019-01-01 *The Empty House Mystery* combines a real puzzle with the story of Ted Wilford s strenuous efforts to get out the bi weekly *Town Crier* while the editor is ill Ted and his friend Nelson who have just graduated from high school devote part of their pre college summer to finding the thief of a set of plans for the new state thruway It all began for Ted one day in the office of *The Town Crier* when a man came in to advertise in the Lost and Found column for a missing folder with a peculiar zipper Later when it was brought to the office by the finder Ted carried away by his desire to demonstrate the

splendid service offered by the paper personally left the folder at the advertiser s address It turned out to be an empty house but Ted had reasons for thinking it was logical to leave it there However later when he discovered that the folder really contained plans stolen from the highway department Ted knew he must find it as quickly as possible The quest leads Nelson and him into adventures in several empty houses into an investigation of the mysteriously ringing telephones and finally to a completely different solution than he or the reader had anticipated The daily doings in a small town newspaper office plus a well plotted story make another satisfying Ted Wilford mystery
