capable of more than you have ever thought possible One participant in the program explained it like this I m doing this for me not for others or the time clock I just feel better when I run plus it helps me to cope with things in general The skills we ve learned in this class don t apply just to marathoning they apply to life Just like you never know what the next step in a marathon will bring so too you never know what will happen next in life But if you don t keep going you re never going to find out By staying relaxed centered and positive you handle just about anything that comes your way This is marathon running for real people people with jobs and families and obligations outside of running The Non Runner s Marathon Trainer has proven successful for men and women of all ages Now let it work for you
