Tijuana in blue** Tijuana in blue,1998 **Tijuana: Urbanization in a Border Culture** John A. Price,1973 *El Tercer Pais* Michael S. Malone,2020-10 The product of scores of interviews with citizens of San Diego and Tijuana from everyday working folks to the leading figures this is the first book ever to look at the two hundred year history of the two cities and chart how their relationship has evolved from conflict to interdependence to cooperation El Tercer Pais combines hard nosed journalism with insiders perspectives to create a celebratory look at how the

two cities have gone beyond decades of distrust and wariness to become the most successful bi national bi lingual twin cities on the planet and a model for comparable border cities everywhere And further a vision for deeper collaboration between the three countries of the North American continent Border Lives Sergio R. Chávez,2016 Border Lives tells the story of former current and future border crossers who live in Tijuana and use the border as a resource to construct their livelihoods Drawing on almost a year and a half of ethnographic data Sergio Ch vez demonstrates the ways in which the border can be both a resource and a constraint on people s lives **Symbols and Voices Along the Tijuana-San Diego Border** Fernando Sanchez,2012 Symbols and voices produce perceptions of the Tijuana San Diego border In this study I look at the Tijuana zebra as a symbol of otherness anxiety and a physical representation of Tijuana s history Through Bakhtin s five types of compositional stylistics I divide the artistic system into writer text and reader to deconstruct its intent and simulacrum Furthermore I look at Anzaldua s Borderlands for its benefits and constraints as a border narrative I compare Borderlands to the personal stories of two Tijuana sex workers as a way to analyze forms of storytelling Through this oral history I am able to not only look at pauses body language and tone but also find commonalities between ordinary and poetic language

Tijuana Straits Kem Nunn,2004-08-10 From the National Book Award nominated author of Tapping the Source comes a potent suspense novel that pits a beautiful young Mexican woman and an aging American surfer against three vicious killers out for revenge **Taxi Rojo** Erik Orrantia,2014-07 Tijuana melting pot of Mexico gateway to Baja California Two million souls struggle for survival each searching for a way to become something anything better Fate brings a few strangers together one night in a crowded taxi rojo When the red taxi crashes down a canyon it creates a connection between the passengers that like the international border within sight of the crash draws a line between triumph and defeat hopelessness and perseverance life and death Boyfriends Rigo and Cristian confront their demons when a supposedly innocuous tryst gets out of control Pancha looks for love in a complex world of ambiguous gender and sexual identity Toni s biggest problem is self acceptance in a culture that has ingrained in him the idea that real men are macho and self sufficient Julia s faith is challenged as she toils to make a living and support her disabled sister while feeling paralyzed by her sense of responsibility and lingering guilt Even in Tijuana light can be found in the darkness Facing fears and giving of oneself pave the road to strength and freedom while stubbornness and denial lead only to demise Erik Orrantia is the Lambda Literary Award winning author of Normal Miguel *Journey to the city's east side* Omar Millán,2013 A new perspective told by the community who suffered most during the violent days that once typified Tijuana as one of the most dangerous cities along the Mexican American border Tijuana Sunday Leigh Wiener,1989 **Tijuana Mean** Jesse James Kennedy,2019-02 Sequel to the author s Missouri homegrown **Unequal Neighbors** Kristen Hill Maher,David Carruthers,2021 San Diego and Tijuana are the site of a national border enforcement spectacle but they are also neighboring cities with deeply intertwined histories cultures and economies In Unequal Neighbors Kristen Hill Maher and David Carruthers shift attention from the national

border to a local one examining the role of place stigma in reinforcing actual and imagined inequalities between these cities Widespread bordered imaginaries in San Diego represent it as a place of economic vitality safety and order while stigmatizing Tijuana as a zone of poverty crime and corruption These dualisms misrepresent complex realities on the ground but they also have real material effects the vision of a local border benefits some actors in the region while undermining others Based on a wide range of original empirical materials the book examines how asymmetries between these cities have been produced and reinforced through stigmatizing representations of Tijuana in media everyday talk economic relations and local tourism discourse and practices However both place stigma and borders are subject to contestation and the book also examines debordering practices and counter narratives about Tijuana s image While the details of the book are particular to this corner of the world the kinds of processes it documents offer a window into the making of unequal neighbors more broadly The dynamics at the Tijuana border present a framework for understanding how inequalities that manifest in cultural practices produce asymmetric borders between places

Tijuana, a Border City in Transition Thomas Crupi,1998 **Tijuana** John A. Price,1973-01-01

Passing Rihan Yeh,2017-12-13 Tijuana is the largest of Mexico s northern border cities and although it has struggled during the United States dramatic escalation of border enforcement it nonetheless remains deeply connected with California by one of the largest busiest international ports of entry in the world In Passing Rihan Yeh probes the border s role in shaping Mexican senses of self and collectivity Drawing on extensive fieldwork Yeh examines a range of ethnographic evidence public demonstrations internet forums popular music dinner table discussions police encounters workplace banter intensely personal interviews and more Through these everyday exchanges she shows how the promise of passage and the threat of prohibition shape Tijuana s communal sense of we and throw into relief long standing divisions of class and citizenship in Mexico Out of the nitty gritty of quotidian talk and interaction in Tijuana Yeh captures the dynamics of desire and denial that permeate public spheres in our age of transnational crossings and fortified borders Original and accessible Passing is a timely work in light of current fierce debates over immigration Latin American citizenship and the US Mexico border
