**Tim and Pete** James Robert Baker,1993 The author of the cult favorites Adrenaline and Boy Wonder presents a subversively satiric novel of gay love and bad behavior In an energetic account of 24 hours in the lives of ex boyfriends Tim and Pete readers are taken across the hyperrealist landscape of contemporary L A and introduced to a bizarre circus of players Rural Route 3 Timothy Gaddo,2016-03-03 Before he met the beautiful Concetta Lou had resigned himself to working in and eventually dying in the coal mine just as his father before him had done He was uneducated he aspired to nothing higher and his future looked about as bleak as the company owned coal town where he d grown up Standard Illinois Then chance stepped in and smiled upon Lou through provision of an unlikely meeting between this coal town scruff and a genteel city girl from Chicago For some reason unknowable she liked him and in that modest approval she reignited in Lou aspirations he d nearly forgotten desires which had all but withered and died in the black mine which had already stolen from him more daylight than he should rightly have allowed Thus with his rediscovered yen for openness greenness sunlight and blue sky with Concetta beside him did Lou begin our family s farming epoch It would be not the Utopian adventure the two imagined but an adventure still and a story worth the telling **A Foul Tip** Charles S. C. Taylor,2024-05-17 For example what happened to Tiny Tim from Charles Dickens classic a Christmas Carol that ends saying And Tiny Tim who did NOT die he was a second And this is left us hanging on what else became of Tiny Tim We know he did not die but what became of him more than that This book is the story of the growth of Tiny Tim and some of his exploits into manhood You will find out if he grows up well gets married and if he pursues wealth or power You will see that he even enters into a course of a new world interest that might change a nation for good or for bad Tim grows and finds himself on a place that could destroy his own life while destroying many others in the process A war between states happens and Tim does get involved and he sees himself as just a worker of a powerful need for both sides With his own ambitions Tim grants himself the ability to seize both sides with the need for weapon improvements and in the course of all this Tim will fall to a sinful aspect that only his second father being allowed to warn him of a coming doom that is not just directly effective to him but to even the whole world interests he changes his ways Come and see what happens and how Tim will grow and what becomes of him due to war Twisted Jo Gibson,2014-06-24 Collects three horror stories
