*This Life* Martin Hägglund, 2020-02-04 Winner of the Ren Wellek Prize Named a Best Book of the Year by The Guardian The Millions and The Sydney Morning Herald This Life offers a profoundly inspiring basis for transforming our lives demonstrating that our commitment to freedom and democracy should lead us beyond both religion and capitalism Philosopher Martin Hägglund argues that we need to cultivate not a religious faith in eternity but a secular faith devoted to our finite life together He shows that all spiritual questions of freedom are inseparable from economic and material conditions what matters is how we treat one another in this life and what we do with our time Engaging with great philosophers from Aristotle to Hegel and Marx literary writers from Dante to Proust and Knausgaard political economists from Mill to Keynes and Hayek and religious thinkers from Augustine to Kierkegaard and Martin Luther King Jr Hägglund points the way to an emancipated life Catalog of Copyright Entries.
