

Origin of language

- Word origin is very important. Knowing the etymology of a word provides enhanced perspective about its most effective use.
- You understand its original meaning and how it may have transformed over time, how people have used it past and present.
- Actually no one exactly knows when or how human beings came up with spoken language.
- One hypothesis is that language began between 100,000 or 50,000 years ago with the advent of modern man i.e. Homo Habilis and Homo Sapiens.
