Naqvi, 2015-04-01 I love snacks Be it chips cookies cakes popcorn I enjoy my fair share of them One of the common misconceptions about eating healthy is that you have to have a lot of time and a lot of money Thats absolutely not true All

that healthy eating requires is for you to pay attention and take that extra step of looking at the nutrition label and the ingredients of your item and asking yourself if you think that the product is right to put in your body In this book what I hope to do is make eating healthy a little easier First of all I have presented an alternative to the nutrition label that you will find easier to read Then I take all the snack foods that you love and evaluate if they are healthy whether there is too much sugar or salt or high fructose corn syrup If your favorite munchies aren't too good for you I have provided a list of some healthy alternatives Enjoy and hopefully pick up some healthy eating tips on the way In this book I examine the following categories of snacks cookies granola bar crackers and chips

**Snack Food** R. Gordon Booth,2012-12-06 Rather than containing for the most part fairly detailed food science and technology intended for daily use and reference by food scientists and technologists this book is designed for use by a much wider range of readers concerned with a particular and rapidly expanding area of food production promotion marketing and packaging A certain amount of basic detail is provided to enable relatively rough estimates of the production methods and packaging facilities necessary to enable new or improved items to be made but the overall emphasis is on the wide range of food products that can now quite legitimately be regarded as coming within the broad definition of foods used as snacks as contrasted with main meals Thus we start with the basic requirements to be met in a snack food whatever its nature and follow with the great variety of items nowadays used 3 l snacks or as adjuvants to snacks concluding with an assessment of nutritional consequences of the growth of snacking or browsing and with the special packaging requirements of snack foods
