Snarling Citizen

David Trend

Snarling Citizen:

The Snarling Citizen Barbara Ehrenreich, 2000-06-15 There are no pieties liberal or conservative in Ehrenreich's world. Fiercely funny and militantly uncompromising, *The Snarling Citizen* contains something to offend almost everyone from Rush Limbaugh to Hillary Clinton and something to delight everyone who believes humans are worth saving after all. [The Snarling Citizen](#) Barbara Ehrenreich, 1995 In this collection of essays her first since the best-selling *The Worst Years of Our Lives*, Barbara Ehrenreich delves into the soul of the 1990s in search of the American zeitgeist after The Decade of Greed. What she finds is a sour passivity. Only a homicidal car rental spokesman or penis-severing small-town manicurist can induce a brief outbreak of giddiness. The youthful pumped-up look has given way to menopause chic, and our biggest hope for a national health program is that it will provide coverage for Dr. Jack Kevorkian's services. Even channel surfing may have to be automated soon if the current listlessness continues. [The Nation Guide to the Nation](#) Richard Lingeman, *Nation Magazine*, 2009-01-06 The essential lifestyle guide for the millions of progressives on both coasts, *The Nation Guide to the Nation* will help left-of-center types find left-leaning shops, cultural institutions, and gathering places in their own hometowns and on the road. CULTURAL: Art collectives, activist documentaries, political circuses, film festivals, writers' colonies, left-brained bookstores, arts advocacy groups, indie book publishers, the 25 greatest political movies, detective stories for liberals. SOCIAL: Organic and slow food restaurants, political saloons and bars, bookshop cafés and conversational coffeehouses, sexy singles meet-ups, reading clubs and discussion groups, camps for radical kids, parades and festivals, parks and preserves. ENVIRONMENTAL: Activist groups, monkey wrenchers and sea shepherds, eco-friendly products, favorite green markets, super co-ops, eco tourism, farm communes, energy solutions. ORGANIZATIONS: Peace and anti-nuclear, feminist, GLBT, economic policy, immigrant rights, labor issues, campaign finance reform, civil liberties, radical mouthpieces, liberal think tanks. MEDIA: Left talk radio, press watchdogs, anti-corporate media, regional and local papers, alternative weeklies, a guide to the blogosphere. GOODS AND SERVICES: Natural food stores, no-sweat clothing, socially conscious mutual funds, political tours, eco-beers and hemp pretzels, funeral homes and cemeteries for a green send-off. *And They Lived Happily Ever... ..Before* Lee Thayer, 2013-05-31 This book is about the apparent incompatibility of romantic love and conventional marriage. They go together like a horse and carriage. But if the horse is ailing or otherwise not up to the task, the carriage will slowly rot away in the carriage house. It is also about the perverse fact that people bring to such relationships their expectations from the past as they remember them. Typically they had hopes and dreams for their future together. When these are dashed, it occurs to them that they were better off before they got hitched. It is also about the fact that when love befalls us, we lose our bearings. Love is blind, and all that. We drift into the conventional fairy tale about living happily ever after. That's to be desired. But the fairy tale ends with that line. It never tells us what we need to do or be in order to live happily ever after. Under the spell of the fairy tale, which is basic fare in various forms in our culture, we set off happily

enough But how is it possible to maintain the delusion of the love state in the banality of the everyday life that inevitably ensues Who told us that making a living or keeping a house in order is a far different world than a wedding Who told us that babies rule the house unless they are tended by someone else Copulate we apparently must But that has consequences that are not a part of the fairy tale So people end up on the other side of the mirror The world is not about lovers the realization creeps upon us It is about 40 000 other things And those have to be dealt with most often before anything else Thus the title And They Lived Happily Ever Before Imagination and reality are often two very different things This book answers the question What Does Love Have to Do with It The answers may surprise you But they will make love affairs that end in marriage far better than you might even imagine they could be [What Liberals Believe](#) William Martin,2012-09-01 In a political and media environment dominated by conservative interests liberals need every opportunity to be heard without distortion and in their own words What Liberals Believe fulfills this need by bringing together the largest collection of progressive quotations ever published Compiled by William Martin from speeches publications books blogs and other sources it offers wisdom and humor from the keenest progressive minds both past and present including Anna Quindlen Frank Rich Michael Moore Oscar Wilde Bill Clinton Howard Dean Rosa Parks Barbara Ehrenreich and John F Kennedy This one of a kind book includes timely insightful quotations covering hundreds of critical issues and even presents a chapter entitled Callous and Clueless Quotes from the Right to remind readers just how nasty and thuggish right wing discourse has become A perfect resource for writers bloggers researchers activists speechwriters teachers and students What Liberals Believe will appeal to anyone who has grown weary of the extremism of the shameless right With a new updated section reflecting the 2012 presidential season this book contains everything you need to contextualize incumbent Barack Obama with what other liberals past and present believe What Liberals Believe is an excellent resource to have on hand during the upcoming election

The Queen of America Goes to Washington City Lauren Gail Berlant,1997 Drawing on literature the law and popular media and taking her counter cue from that celebrated sitcom of American life *The Reagan Years* Homi K Bhabha Berlant presents a stunning and major statement about the nation and its citizens in an age of mass mediation Her intriguing narratives and gallery of images will challenge readers to rethink what it means to be an American and seek salvation in its promise 57 photos *Radical Democracy* David Trend,2013-09-13 Radical Democracy addresses the loss of faith in conventional party politics and argues for new ways of thinking about diversity liberty and civic responsibility The cultural and social theorists in Radical Democracy broaden the discussion beyond the conventional and conservative rhetoric by investigating the applicability of radical democracy in the United States Issues debated include whether democracy is primarily a form of decision making or an instrument of popular empowerment and whether democracy constitutes an abstract ideal or an achievable goal **The Quest for Happiness** Allan Davis,1917 **The Utne Reader** ,1995 [Final Report to the Governor of the Citizen's Study Committee on Offender Rehabilitation](#) Wisconsin.
