In the foreground, a man (Barry Pepper) and a woman are shown in a close embrace, looking down with somber expressions. The man is wearing a dark, heavy coat, and the woman is wearing a dark coat with a white fur collar. The overall mood is one of tragedy and hardship.

Snow Walker:

The Snow-Walker Trilogy Catherine Fisher,2008-12-26 From the swirling mists and icy depths beyond the edge of the world came the snow walker Gudrun to rule the Jarl s people with fear and sorcery But a small band of outlaws are prepared to risk their lives to defeat Gudrun and restore the land to its rightful leader This trilogy follows them in their quest from the first terrifying journey to meet the mysterious snow walker s son to the final battle in the lands beyond the rainbow bridge The Snow walker s Son follows Jessa and Thorkil who are sent to Thrasirshall in the empty wastelands to live with the mysterious Kari Gudrun s son Led to believe Kari is some kind of monster they are shocked to discover he is a snow walker just like Gudrun except with the desire to do good rather than evil Together they journey back to the Jarshold to defeat Gudrun In *The Empty Hand* Gudrun seeks revenge on those who banished her and sends a terrifying faceless creature to the Jarlshold and in *The Soul Thieves* Kari and his companions must travel to the land of the snow walkers to claim back the precious souls Gudrun has stolen Here Kari and Gudrun mother and son and ultimate opponents must fight their final battle

Snow-walker Catherine Fisher,2005-09-20 Since Gudrun came from the frozen mists beyond the edge of the world the Jarl s people have obeyed her in hatred and terror But the enchantress has one weakness a son Kari banished to a forbidding fortress in the north never seen by the Jarl s people In secret they wonder Are the rumors true Was he born a monster Now Jessa and her cousin Thorkil have been exiled to the north and if they survive the journey they will find the truth Is Kari a beast Or the means to stop the sorceress

The Dream Weavers Shirley G. East,2022-04-25 Wind Walker has dreamed for seasons of a better place for his starving tribe Once proud Bison Hunters they must find another way to live in order to survive Driven north by drought they search for a place they can claim as their own A place where the woodland tribes will not try to enslave or kill them They reach the shores of Lake Superior where tales of monsters and evil spirits keep their enemies from settling the apparently barren and cold land They are the First Americans to claim this new land The Dream Weavers portrays the life and death struggle of these First Americans while weaving in an abundance of adventure and romance The novel takes you on a journey of discovery where Wind Walker s people learn not only to survive but thrive By canoe they travel along the edge of Lake Superior where they are the first to discover copper in the Great Lakes Region They experience the very edge of the continental glaciers north of Isle Royal where they see the last of the Woolly Mammoths grazing on the tundra The story is set at the beginning of the Archaic period more than 8000 years ago before copper was first discovered in the Great Lakes region The dependence on large animals is all but gone and the use of plants is becoming more important In this new land they discover an abundance of food friendly spirits to guide and protect them and most of all copper the wonderful metal that led to the later development of the Wisconsin Copper Culture

The People struggle to understand the secrets held stubbornly in the raw metal Only Wind Walker seems able to make the valuable copper tools that give them an advantage over their enemies an advantage which they must work hard to keep secret

Next-Generation Memory and Ukrainian Canadian Children's Historical Fiction Mateusz Świetlicki, 2023-03-24 This is the first book monograph devoted to Anglophone Ukrainian Canadian children's historical fiction published between 1991 and 2021 It consists of five chapters offering cross sectional and interdisciplinary readings of 41 books novels novellas picturebooks short stories and a graphic novel The first three chapters focus on texts about the complex process of becoming Ukrainian Canadian showcasing the experiences of the first two waves of Ukrainian immigration to Canada including encounters with Indigenous Peoples and the First World War Internment The last two chapters are devoted to the significance of the cultural memory of the Holodomor the Great Famine of 1932 1933 and the Second World War for Ukrainian Canadians All the chapters demonstrate the entanglements of Ukrainian and Canadian history and point to the role Anglophone children's literature can play in preventing the symbolical seeds of memory from withering This volume argues that reading imagining and reimagining history can lead to the formation of beyond textual next generation memory Such memory created through reading is multidimensional as it involves the interpretation of both the present and the past by an individual whose reality has been directly or indirectly shaped by the past over which they have no influence Next generation memory is of anticipatory character which means that authors of historical fiction anticipate the readers both present day and future not to have direct links to any witnesses of the events they discuss and to have little knowledge of the transcultural character of the Ukrainian Canadian diaspora
