So Shy

Joaquin Miller

So Shy:

Stupid, Ugly, Unlucky and RICH Richard St John, 2005 Have you ever wondered what leads to success Do you just need to be smart great looking or lucky Richard St John says those things dont lead to success And he should know He spent 10 years interviewing over 500 successful people from Martha Stewart to actor Russell Crowe to DNA discoverer James Watson to the top people in many fields After analyzing and sorting all the information Richard discovered the top 8 factors that are the foundation for success in any field He also discovered that many successful people aren t especially smart good looking or lucky They re ordinary people without special gifts who achieve success by following the 8 factors Richard himself is a good example He says I could never figure out how an ordinary guy like me succeeded in business won top awards and became a millionaire So I started a project to ask other people what led to their success and it grew into a 10 year journey of discovery The story is in Richards new book **Stupid Ugly Unlucky and RICH Spikes Guide to Success** an easy to read analysis that gets beyond the cliches to distill what the worlds most successful people really do have in common **Surreality**

Steven Archer, 2025-04-25 I have been on a personal search for faith for many years striving to better understand the meaning and relevance of religion and in doing so perhaps find some comfort Alongside this I am deeply interested in exploring the complexity of emotions the conflicting ways they affect people and their impact on mental health Using poetry in a raw personal and honest way I have sought to delve into my own emotional states often writing from deeply uncomfortable places This book is the result of that journey a collection that takes the reader through moments of darkness and light By experimenting with formatting and the structure of some poems I aim to emphasize their content challenge the reader and provoke thought and reflection Ultimately these poems whether taken individually or as a whole are intended to be relatable rewarding and an uplifting literary experience **Joaquin Miller's Poems: Songs of the Sierras** Joaquin
