Shapiro,2004-03 During the Mesozoic era beings from another world attempted to colonize the earth However a shower of meteorites destroyed the colony Two people a male Aakeode and his spouse Sirena became the only survivors Placed in separate life preserving pods their bodies assumed a dormant state of sleep As time passed the two pods passed through many changes in the surface of the earth Centuries later the two survivors awoke to find the pods had separated and each began hoping to find the other More centuries passed as the two continued searching without success They used their powers to acquire other bodies when necessary Follow Sirena as she boldly advances through different bodies situations and countries in her search for Aakeode The story *Ghost Church* describes the husband s search for Sirena Soaring with Eagles James Gibson,2011-09-23 *Soaring With Eagles* is a book of devotional meditations upon the book of James It helps us to deal with our trouble and suffering I want to be in the line in Heaven waiting to talk to James about his book I want to recite my heartbreaks and ask James Should I have been happy about these I already anticipate his response Yes for suffering stretches you and brings all the character that God has already placed within you to the surface or it diminishes you because you do not see its intended purpose and accept it The growth that

suffering awakens in us will produce real faith which shows itself in ministry to the poor disenfranchised downtrodden and needy people around us This book is for all those who want to become real Christians instead of plastic Christians All who yearn for true greatness should benefit from reading Soaring With Eagles Readers should learn to laugh when suffering comes their way knowing that suffering can be a gift from God Soaring With Eagles should prepare readers for the time when life tumbles in And when it does we will be drawn toward God instead of retreating away from Him **Soaring with the Eagles** Kenneth E. Hagin,1996-06 This inspiring book takes an innovative look at the eagle and draws many thought provoking analogies that graphically illustrate practical lessons believers can learn from this majestic bird **Soaring with Eagles** Joseph D Pollhein, Jr,Joseph D Pollhein, Sr,2021-02-02 In a time when people especially young people are looking for guidance and hope the authors of this book seek to provide a little of both Soaring with Eagles is a guide for young boys and girls who aspire to Eagle Scout the highest rank in Scouting Through personal stories of their experiences in Scouting and Joe Sr s experiences at West Point this father and son team seek to mentor and guide aspiring Eagle Scouts in their quest to accomplish what only a small percentage of Scouts ever achieve It is the authors firm belief that every scout can become an Eagle Scout with the right coaching motivation education and bias towards action This book will augment the teaching of scout leaders and parents by relating directly to aspiring Eagle Scouts and guiding them to honorably put into action what it means to be trustworthy loyal helpful friendly courteous kind obedient cheerful thrifty brave clean and reverent **Even Eagles Need a Push** David McNally,2014-11-12 Discover your strengths live your dreams Let go of fear Discover your true sense of purpose Live the life you ve only imagined Why does the thrill of soaring begin with the fear of falling How can you overcome that fear and dare to live Let David McNally lead you on an extraordinary journey of discovery that takes you from motivation to inspiration to action Be prepared to work In this book you write the ending Read fascinating anecdotes stories personal revelations practice the meditations self assessment exercises affirmations and keep track in your journal as you discover the power of your potential and begin to soar Learn how to Choose your attitude and transform your life Practice positive affirmations to overcome self doubt Radiate confidence as you discover the power of purpose Use language to help shape your thoughts Achieve what you truly want from life Maximize your creative potential Find success with dignity Deal with personal crises Discover your answers in the book that will forever change the way you feel about your work your dreams and yourself as it helps put your own personal powers to work With Wings as Eagles Daniel Stephen Halacy,1975 **Soaring Like Eagles** Andreas Olufestus, PhD,2021-04-02 The Eagle has the longest life span of its species It can live up to 70 years But to reach this age the eagle must make a very difficult decision In its 40th year the eagle s long and flexible Talons can no longer grab a prey which serves as food Its long and sharp beak becomes bent Its old aged and heavy wings due to their thick feathers stick to its chest and make it difficult to fly Then the eagle is left with only two options DIE or go through a painful process of CHANGE This process lasts for 150 days 5 months The process requires the eagle to fly to a

mountain top and sit on its nest There the eagle knocks its beak against a rock until it plucks it out Then the eagle will wait for the new beak to grow back after which it will pluck out its talons When its talons grow back the eagle starts plucking its old aged feathers And after this the eagle takes its famous flight of rebirth and LIVES for 30 more years Why is Change needed In order to survive and live We too have to start the change process We sometimes need to get rid of the unpleasant old memories negative habits and our fixed mindset Only when freed from the past burdens can we take advantage of the present If an eagle can make a life saving and life changing decision at the age of 40 why can t we In order to take on a new journey ahead let go of your negative old limiting beliefs Open up your mind and let yourself fly high like an eagle When it rains all birds occupy shelter But the EAGLE avoids the rain by flying above the clouds The problem is common to all but the attitude to solve it makes the difference Don t be afraid of change Accept it gracefully My questions to you is this Do you want to fly with the eagles or scratch with the turkeys Over to you
