Studies In Truth:

Studies in Sacred Theology, 1927 **Studies in the Nature of Truth ... 1928-29**, 1929 *Slavery, Gender, Truth, and Power in Luke-Acts and Other Ancient Narratives* Christy Cobb, 2019-04-25 This book examines slavery and gender through a feminist reading of narratives including female slaves in the Gospel of Luke the Acts of the Apostles and early Christian texts Through the literary theory of Mikhail Bakhtin the voices of three enslaved female characters the female slave who questions Peter in Luke 22 Rhoda in Acts 12 and the prophesying slave of Acts 16 are placed into dialogue with female slaves found in the Apocryphal Acts ancient novels classical texts and images of enslaved women on funerary monuments Although ancients typically distrusted the words of slaves Christy Cobb argues that female slaves in Luke Acts speak truth to power even though their gender and status suggest that they cannot In this Bakhtinian reading female slaves become truth tellers and their words confirm aspects of Lukan theology This exegetical theoretical and interdisciplinary book is a substantial contribution to conversations about women and slaves in Luke Acts and early Christian literature Studies in Truth Roy Eugene Davis, 1969 **Completing Your Qualitative Dissertation** Linda Dale Bloomberg, 2022-11-17 Addressing the key challenges facing doctoral students this text fills a gap in qualitative literature by offering comprehensive guidance and practical tools for navigating each step in the qualitative dissertation journey including the planning research and writing phases Author Linda Dale Bloomberg blends the conceptual theoretical and practical so that the book becomes a dissertation in action a logical and cohesive explanation and illustration of content and process The Fifth Edition includes a greater focus on how qualitative traditions or genres can encompass a critical social justice agenda and this broader coverage allows the book to have wider application for dissertation work within the constantly evolving field of qualitative inquiry This edition also addresses some significant changes in the field that have come about since the onset of the COVID 19 pandemic impacting how to conduct dissertation research both ethically and credibly by adopting new and innovative methods and approaches A greater focus on ethics rigor researcher positionality and reflexivity is highlighted and interwoven throughout **Frege's Views on Truth** Nathan Hawkins, 2026-02-14 This book explores Gottlob Frege's mature views on truth as expressed primarily in a late series of essays entitled Logical Investigations and related unpublished works A common approach in Fregean exegesis is to interpret the claims he makes and then to examine both their independent credibility and their consistency with his broader thought Although this is part of the book's approach its main aim is to trace a journey of thought that Frege presents in these works for pedagogical purposes By doing this Frege's claims regarding truth are presented within a dialectical context thereby showing that many of the puzzles that surround Frege's claims can be resolved in a coherent and satisfying manner Frege's Views on Truth is essential reading for all scholars researchers and advanced students of philosophical logic and the philosophy of language especially those focussing on the work of Frege and the early history of analytic philosophy *Christ the truth* William Temple, 1924 *Select Thoughts on the Ministry and the*
