The Moon Metal:

The Moon Metal Garrett Putman Serviss,1900 When the news came of the discovery of gold at the south pole nobody suspected that the beginning had been reached of a new era in the world s history The newsboys cried Extra as they had done a thousand times for murders battles fires and Wall Street panics but nobody was excited In fact the reports at first seemed so exaggerated and improbable that hardly anybody believed a word of them Who could have been expected to credit a despatch forwarded by cable from New Zealand and signed by an unknown name which contained such a statement as this A seam of gold which can be cut with a knife has been found within ten miles of the south pole The discovery of the pole itself had been announced three years before and several scientific parties were known to be exploring the remarkable continent that surrounds it But while they had sent home many highly interesting reports there had been nothing to suggest the possibility of such an amazing discovery as that which was now announced Accordingly most sensible people looked upon the New Zealand despatch as a hoax

The Moon Metal Garrett Putman Serviss,2023-07-18 A thrilling science fiction tale about a mysterious metal from the moon that has the power to change the course of history Serviss imaginative writing and visionary ideas make this a classic of the genre that is not to be missed This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

THE MOON METAL Garrett P. Serviss, [The Moon Metal](#) Garrett Putman Serviss,2019-11-29 In *The Moon Metal* Garrett Putman Serviss constructs an intricate narrative that blends science fiction and adventure encapsulated in a Victorian era lens The novel explores themes of ambition and discovery as it follows inventor and protagonist John C H Hargreaves who seeks an elusive metal from the moon leading readers through a landscape of speculative science and imaginative technology Serviss s literary style is marked by a vivid descriptive approach showcasing both the excitement of scientific exploration and the philosophical dilemmas associated with man s quest for knowledge amid the perilous unknown Garrett Putman Serviss an accomplished astronomer and science writer was deeply influenced by the late 19th century s burgeoning fascination with space and technological advancement His works often reflect a passion for astronomy coupled with a desire to push the boundaries of human understanding Serviss s background and expertise in science provide a credible foundation for his fiction allowing readers to engage in a thoughtful dialogue

between imagination and reality This thrilling tale of cosmic pursuit is recommended for enthusiasts of early science fiction and those intrigued by the intersection of science and literature *The Moon Metal* not only entertains but also challenges readers to ponder the vast possibilities that the universe holds making it a seminal read for future thinkers and dreamers

The Moon Metal Garrett P Serviss,2020-10 Book Excerpt convinced that it possesses equal intrinsic value They must first become familiar with it and it must be abundant enough and desirable enough to be used sparingly in the arts just as gold was I have provided for all that said the stranger with one of his disconcerting smiles I assure you that there will be no trouble with the people They will be only too eager to get and to use the metal Let me show you He stepped to the door and immediately returned with two black attendants bearing a large tray filled with articles shaped from the same metal as that of which the card was composed The financiers all jumped to their feet with exclamations of surprise and admiration and gathered around the tray whose dazzling contents lighted up the corner of the room where it had been placed as if the moon were shining there There were elegantly formed vases adorned with artistic figures embossed and incised and glowing with delicate colors which shimmered in tiny waves with the sligClose

The Moon Metal Garrett Putman Serviss,2020-03-27 A seam of gold which can be cut with a knife has been found within ten miles of the south pole The discovery of the pole itself had been announced three years before and several scientific parties were known to be exploring the remarkable continent that surrounds it But while they had sent home many highly interesting reports there had been nothing to suggest the possibility of such an amazing discovery as that which was now announced Accordingly most sensible people looked upon the New Zealand despatch as a hoax

The Moon Metal Garrett Serviss,2016-04-19 Garrett Putnam Serviss was an American astronomer and early science fiction writer Serviss was born in New York and majored in science at Cornell University *The Moon Metal* is a classic that has been loved by many for generations a great addition to the collection Any profits generated from the sale of this book will go towards the Freeriver Community project a project designed to promote harmonious community living and well being in the world To learn more about the Freeriver project please visit the website www.freerivercommunity.com
