To Be An American:

To Be an American Bill Ong Hing, 2000 The impetus behind California's Proposition 187 clearly reflects the growing anti-immigrant sentiment in this country. Many Americans regard today's new immigrants as not truly American as somehow less committed to the ideals on which the country was founded. In clear, precise terms, Bill Ong Hing considers immigration in the context of the global economy, a sluggish national economy, and the hard facts about downsizing. Importantly, he also confronts the emphatic claims of immigrant supporters that immigrants do assimilate, take jobs that native workers don't want, and contribute more to the tax coffers than they take out of the system. A major contribution of Hing's book is its emphasis on such often overlooked issues as the competition between immigrants and African Americans, inter-group tension, and ethnic separatism, issues constantly brushed aside both by immigrant rights groups and the anti-immigrant right. Drawing on Hing's work as a lawyer deeply involved in the day-to-day life of his immigrant clients, *To Be An American* is a unique blend of substantive analysis, policy, and personal experience. When Shoko decided to marry an American GI and leave Japan, she had her parents' blessing, her brother's scorn, and a gift from her husband: a book on how to be a proper American housewife. As she crossed the ocean to America, Shoko also brought with her a secret she would need to keep her entire life. Half a century later, Shoko's plans to finally return to Japan and reconcile with her brother are derailed by illness. In her place, she sends her grown American daughter, Sue, a divorced single mother whose own life isn't what she hoped for. As Sue takes in Japan with all its beauty and contradictions, she discovers another side to her mother and returns to America, unexpectedly changed and irrevocably touched. *American Economist*, 1899 **The South American Journal and Brazil & River Plate Mail** Charles Dunlop, 1922 **American Lumberman**, 1918 **American Shoemaking**, 1928 *The Illustrated American*, 1895 *The Cyclopaedia of American Biography* James Edward Homans, Herbert M.
