To Dad Richard Exley, Helen Exley, 1990 Children describe their fathers and characterize the father child relationship

Saying Goodbye to Daddy Jenise Belin Leach Godbolt, 2007-05 September 11 2001 was a tragic moment in America's history that will always be etched in the minds of not only Americans but people across the world Some of those who have been effected by September 11 are our children who lost parents and friends in this hideous act In Saying Goodbye to Daddy Kia an eight year old girl whose father was killed while he took a group of his students to receive an award at the Trade Center shares humorous and touching memories of her father At eight years old Kia learns that she will never be able to have the relationship with her father as she did before September 11 She comes to the realization that saying goodbye to someone you love who has died doesn't mean you are forgetting them She concludes that she can always have her father with her through her memories of him and the spirit in which he lived Kia discovers that love is the bridge that keeps us connected to our love ones forever

Dad's Turn: How to Cope when Mom's Not Around Chris St-Jean, 2012-03-14 ABOUT THE BOOK Moms for the most part have become multitasking masters Evidence from a recent study in the American Sociological Review supports this claim the study conducted by researchers from Bar Ilan University in Israel and Michigan State University discovered that moms multitask on average 10 hours per week more than their male parental counterparts and this is in addition to either a full or part time job But what happens when Moms not around Im not talking about when tragedy strikes what if Mom has gone on a trip gone back to work or taken up a new hobby that takes her out of the house more frequently than not Whether you have one or several children parenting is a challenge and mothers often bear the brunt of the workload studies continue to show that mothers are still carrying the majority of household responsibilities As such the fathers may feel a little lost if not completely overwhelmed when it comes to parenting solo Then when fathers hear their partners telling the kids Remember to listen to Dad or Dont forget to brush your teeth they may wonder Does she think Im incompetent Theyre my kids too Of course theyre going to listen This can cause some resentment which may in turn get passed on to the kids in the form of frustration or impatience Its important for fathers to understand how to take better control of the family situation and household when their wives are temporarily out of the picture Staying at home to take care of the kids is not as some men have kidded with their friends a holiday in some countries men are required to take that time otherwise the family loses some of those coveted subsidies that many countries dole out now for day care and other childcare needs With those trends growing from country to country and in an economy where it may be necessary or beneficial for the father to stay home its helpful if not completely necessary for Dad to prepare for time alone with his kids

MEET THE AUTHOR Christina an Ontario English teacher with a great passion for American literature in particular and the written word in general Her two daughters aged 3 and 7 also seem to have a love of books as her 7 year old just started reading Tom Sawyer herself Christina follows global events as closely as she can but also enjoys entertainment news Currently she is

working towards a black belt in karate EXCERPT FROM THE BOOK Its hard to remember the most important thing when youre in the thick of parenting but know this youre on their schedule now That said dont be surprised if everything goes a little off the rails for the first little bit when youre home alone Life will not run with military efficiency down to the last nanosecond Kids get sick homework or lunches get forgotten crises of minor and major proportions abound every twenty minutes or so Thats perfectly normal Brian Hershberg decided to stay home for a week while his wife went on a six day business trip to Barcelona seeing it as an opportunity to see what his wife who works full time went through on a daily basis in raising their seven year old son Noah He was a bit chagrined to realize that he needed a tip sheet to simply make it through Noahs schedule and feeding inclinations on any given day He also saw his blog Diary of a Tiger Father on Juggle published on wsj com Strangely enough this is fairly common for most households the mother is generally the parent who does the majority of the running around while the father fills in on some of the in between time

Dad's Best Memories and Recollections Charles J. Humber,2016-01-20 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazz Humber s epithaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad s Best Memories and Recollections
