To Love Kindness:

Love Kindness Barry H. Corey, 2016 Kindness is not what we have been taught it is It isn't a soft virtue expressed only by sweet grandmothers or nice Boy Scouts Kindness is neither timid nor frail Instead it is brave and daring willing to be vulnerable with those with whom we disagree It is the revolutionary way that Jesus himself called us to live The way of selfless risks The way of staggering hope The way of authenticity Dr Barry Corey president of Biola University believes we tend to devalue the importance of kindness opting instead for caustic expressions of certainty that push people away We forget that the essence of what God requires of us is to love kindness In this book filled with stories from his travels around the globe Barry shows us the forgotten way of kindness It is a life that calls us to put ourselves at risk A life that calls us to hope A life of a firm center and soft edges It is the life Christ invites us to follow no matter what the cost **Love Kindness**

How do modern Jews understand virtues such as courage humility justice solidarity or love In truth they have fiercely debated how to interpret them This groundbreaking anthology of musar Jewish traditions regarding virtue and character explores the diverse ways seventy eight modern Jewish thinkers understand ten virtues honesty and love of truth curiosity and inquisitiveness humility courage and valor temperance and self restraint gratitude forgiveness love kindness and compassion solidarity and social responsibility and justice and righteousness These thinkers from the Musar movement to Hasidism to contemporary Orthodox Reform Conservative Reconstructionist Renewal Humanist and secular Jews often agree on the importance of these virtues but fundamentally disagree in their conclusions The juxtaposition of their views complemented by Geoffrey Claussen's pointed analysis allows us to see tensions with particular clarity and sometimes to recognize multiple compelling ways of viewing the same virtue By expanding the category of musar literature to include not only classic texts and traditional works influenced by them but also the writings of diverse rabbis scholars and activists men and women who continue to shape Jewish tradition Modern Musar challenges the fields of modern Jewish thought and ethics to rethink their boundaries and invites us to weigh and refine our own moral ideals The Way to Love Matt

Boswell,2018-09-04 Love people An oft proclaimed rallying cry for Christians but what does it look like in practice to love We may believe that love is the greatest 1 Cor 13 Love may be our destination But do we know how to get there This book addresses essential questions about the Christian life What is a true compelling and helpful Christian understanding of love What is spiritual growth supposed to do to us or for us or for others through us How can we speak of grace and personal initiative in one theological vision How do we go beyond a spirituality that is either too privatized and insular or too activist without the undergirding character needed to sustain such activism How do we ensure love is not simply a principle we hold or a slogan we applaud but a powerful force that perpetually grows in us and ripples out to others in concrete transformative ways This book is a guide to love Drawing on virtue ethics psychology theology and spirituality it offers a love centered hopeful vision of the Christian spiritual life The story in which God invites us to live is about a journey of love toward love Is this your story

Judaism Is About Love Shai Held,2024-03-26 A profound startling new understanding of Jewish life illuminating the forgotten heart of Jewish theology and practice love A dramatic misinterpretation of the Jewish tradition has shaped the history of the West Christianity is the religion of love and Judaism the religion of law In the face of centuries of this widespread misrepresentation Rabbi Shai Held one of the most important Jewish thinkers in America today recovers the heart of the Jewish tradition offering the radical and moving argument that love belongs as much to Judaism as it does to Christianity Blending intellectual rigor a respect for tradition and the practices of a living Judaism and a commitment to the full equality of all people Held seeks to reclaim Judaism as it authentically is He shows that love is foundational and constitutive of true Jewish faith animating the singular Jewish perspective on injustice and protest grace family life responsibilities to our neighbors and even our enemies and chosenness Ambitious and revelatory Judaism Is About Love illuminates the true essence of Judaism an act of restoration from within
