## To My Pocket:

*The Chipmunk Whisperer* Victor Tyler, 2022-12-13 This book is an in depth study of chipmunks their society and their life While studying the little wild creatures I found them to be trainable This book will teach you how to train your very own chipmunks like you would train your house pet The chipmunks can be taught simple voice commands and hand signals As you will see in the book the chipmunks taught me as much as I taught them Please keep your chipmunks outside they are an outdoor animal and they need to dig The chipmunks do have a society It is much like the godfather type of family structure The larger your group of trained chipmunks get the more obvious the society will be Have fun with your newfound wild pets The bottom line is there is nothing like holding a very cute and wild animal in your hand petting her soft pink like fur talking to her and wait for it she listens It can't get better than that Have fun Our World Herbert Sherman Houston, 1924
