## **Snow Day Dance:**

*Snow Day Dance*, 2005 With their teacher's help schoolchildren anticipate the first snow of the season and enjoy their day off from school. At school as the snow begins to fall the children talk about how snowflakes are formed. They make paper snowflakes and cover the windows with them. Outside they see real snowflakes covering the ground. Their teacher smiles and says "Wear your pajamas backward tonight and do the magic dance. Maybe with a little luck they will have a snow day." All through the evening the snow falls. So with their pajamas on backwards the children do the magic dance. In the morning they get their wish. The world is transformed it's a snow day. Will Hubbell celebrates winter in his latest picture book packed with fascinating information about snowflakes.
