Now a quarter of a century has passed since Merton's death and the journals are the last major piece of writing to appear by the 20th century's most important spiritual writer
The first of seven volumes *Run to the Mountain* offers an

intimate glimpse at the inner life of a young pre monastic Merton Here readers will witness the insatiably curious graduate student in New York s Greenwich Village give way to the tentative spiritual seeker and brilliant writer Merton playfully lists everything from his favorite lines of poetry and songs to the things he most loves and hates Thomas Merton was an inveterate diarist his journals offer a complete and candid look at the rich transformations of his adult life As Brother Patrick Hart general editor of the series notes Perhaps his best writing can be found in the journals where he was expressing what was deepest in his heart with no thought of censorship With their publication we will have as complete a picture of Thomas Merton as we can hope to have
