## Chapter 1: What is Management

### Traditional Pyramid vs. Inverted Pyramid

| Traditional Pyramid                                                        | Inverted Pyramid                           |
|----------------------------------------------------------------------------|--------------------------------------------|
| CEO -> Reports to Board of Directors (for profit) or Trustees (non profit) | Customers/ Clients                         |
| Senior Managers                                                            | Operating Workers                          |
| Middle Managers                                                            | Team Leaders/Middle Managers               |
| Front-Line Managers                                                        | Top Managers                               |
| Non Managerial Workers                                                     | CEO (Board of Directors/Board of Trustees) |

**Inverted Pyramid:** Customers are on top with higher level managers supporting the employees who serve those customers

**Manager:** Person who supports and who is responsible for the work of others
