Michael, 2019-01-07 This trilogy is a memoir about real events and real characters with fictitious names to protect the guilty When I first wrote Book 1 The Odyssey it became apparent that the reader would not understand the back story that led to

Michael's odyssey after the sad dissolution of his marriage of thirty years so I wrote a prequel called Book 2 The Ivory Tower which detailed the ongoing events at Charity University during the Odyssey then I wrote an earlier prequel Book 3 The Birth of the Minotaur which explained the events in Michael's life that lead up to the launching of his odyssey This is Book 1 The Odyssey of the Naked Minotaur Trilogy The Naked Minotaur is my erotic alter ego who helped me focus my feelings to cry then laugh to love and to prevail in my passage through the perilous waters of mid life Being middle aged was hard the realization that my youthful virility and apparent immortality had abandoned me leaving behind the traumatic symbols of man's frailty unachievable goals graying baldness prostate problems perceived impotency well you get the picture Mary Renault portrayed the Minotaur as the grown son of King Minos of Crete who donned a bull mask during palace rituals and was caught up in the puppetry of a decaying court that ruled the Minoan people through the politics of fear and intrigue I too wear a mask it is the only true glimpse of my inner emotions that I allow anyone to see My knees shiver forlornly against the chill Kicked out of my marriage of thirty years for my failures I am about to embark on a ten year odyssey scared about the new adventures the pleasures and delights the hardships and the calamities that will surely befall me as I try to prevail through the perilous waters of midlife Rhonda's sumptuous feline body is imprisoned within the soft moonlit edges of the shadowy bars God I need her now We were two ageless lovers on Crete's southern shore wily old Odysseus and his abducted young thighed Angelika She is gone from my life forever poor Jana I had no love to give her Tears of sadness well up in my eyes my memorable love affair with Astrid in Crete still glows sadly in my mind Could I have lived in two alternate universes at the same time and space one in which I loved Laurel and the other in which I loved Lillian and was hired by LIGO That seems too bizarre to have happened but quantum physics is very weird Maybe the Minotaur is just a misunderstood victim of the judgment of mythology what if his mask were removed and his true desires and loves were laid naked This is my story
