The Mischievous Monkey Caper:

The Mischievous Monkey Caper Georgette Livingston, 2013-08-27 The entire town of Calico Nebraska is overwhelmed with excited anticipation the circus is coming to town And Jennifer Gray is relieved to learn that the manager of this particular circus Joe Cannon is a committed animal lover and takes care of his animals as if they were cherished pets Joe is also a devoted single father his son Mike is rarely out of his sight Joe has a lot more trouble keeping track of a gentle elephant a carousing camel and especially a mischievous monkey The circus must also contend with the well intended shenanigans brewed by the bootlegging Cromwell sisters It turns out that the extraordinary little monkey will assist Jennifer in solving an unusually baffling and unforgettable case [The Mischievous Monkey Caper](#) Jennifer Livingston, 1996

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

The White Elephant Caper Georgette Livingston, 1997 Calico is holding a six day spectacular over Labor Day but there s more than just festivities going on in this sleepy little Nebraska town First of all there s the sudden appearance of counterfeit money and the equally sudden appearance of Paul Bishop a handsome blond haired

man with a beautiful dog named Casey Next there s the picture that veterinarian Jennifer Gray bought from Elmer Dodd that he is trying to buy back at a much higher price Attracted to a possible counterfeiter and the owner of a painting in great demand Jennifer doesn t exactly know what is going on but she is determined to find out *Merriam-Webster's Dictionary of Synonyms* Merriam-Webster, Inc,1984 The ideal guide to choosing the right word Entries go beyond the word lists of a thesaurus explaining important differences between synonyms Provides over 17 000 usage examples Lists antonyms and related words **The Juvenile Magazine** ,1875 Goodbye, Charli--third Time Lucky Diane Petit,1998 When Kathryn Bogert lookin in Gertrude Trent s freezer she expects to find the body of Gertrude s beloved dog Winston Instead she finds the body of Gertrude s favorite tenant **Hear Me Die** E. Woodworth,2016-04-29 In the late eighteenth century English novel the question of feminism has usually been explored with respect to how women writers treat their heroines and how they engage with contemporary political debates particularly those relating to the French Revolution Megan Woodworth argues that women writers ideas about their own liberty are also present in their treatment of male characters In positing a Gentleman s Liberation Movement she suggests that Frances Burney Charlotte Smith Jane West Maria Edgeworth and Jane Austen all used their creative powers to liberate men from the very institutions and ideas about power society and gender that promote the subjection of women Their writing juxtaposes the role of women in the private spheres with men s engagement in political structures and successive wars for independence the American Revolution the French Revolution and the Napoleonic Wars The failures associated with fighting these wars and the ideological debates surrounding them made plain at least to these women writers that in denying the universality of these natural freedoms their liberating effects would be severely compromised Thus to win the same rights for which men fought women writers sought to remake men as individuals freed from the tyranny of their patriarchal inheritance *Bookseller, Devoted to the Book and News Trade* ,1900 **Books in Print** ,1991 Wisconsin Journal of Education ,1875
