Tocqueville Reader:

The Tocqueville Reader Olivier Zunz, Alan S. Kahan, 2002-10-21 The Tocqueville Reader includes not only Tocqueville's major writing but also travel letters, conversations with ministers and politicians, and diary entries not originally intended for the public. It includes twenty-nine pieces never before translated into English and a wide-ranging editorial introduction that gives an account of Tocqueville's life as a politician and inspirations as a writer. [The Man Who Understood Democracy](#) Olivier Zunz, 2023-11-14 Olivier Zunz tells the story of a radical thinker who uniquely charged by the events of his time both in America and France used the world as a laboratory for his political ideas. Giving equal attention to the French and American sources of Tocqueville's unique blend of political philosophy and political action, *The Man Who Understood Democracy* offers the richest, most nuanced portrait yet of a man who, born between the worlds of aristocracy and democracy, fought tirelessly for the only system that he believed could provide both liberty and equality. Book cover **The Chicago Companion to Tocqueville's Democracy in America** James T. Schleifer, 2012-04-02 One of the greatest books ever to be written on the United States, *Democracy in America* continues to find new readers who marvel at the lasting insights Alexis de Tocqueville had into our nation and its political culture. The work is, however, as challenging as it is important; its arguments can be complex and subtle, and its sheer length can make it difficult for any reader, especially one coming to it for the first time, to grasp Tocqueville's meaning. *The Chicago Companion to Tocqueville's Democracy in America* is the first book written expressly to help general readers and students alike get the most out of this seminal work. Now James T. Schleifer, an expert on Tocqueville, has provided the background and information readers need in order to understand Tocqueville's masterwork. In clear and engaging prose, Schleifer explains why *Democracy in America* is so important, how it came to be written, and how different generations of Americans have interpreted it since its publication. He also presents indispensable insight on who Tocqueville was, his trip to America, and what he meant by equality, democracy, and liberty. Drawing upon his intimate knowledge of Tocqueville's papers and manuscripts, Schleifer reveals how Tocqueville's ideas took shape and changed even in the course of writing the book. At the same time, Schleifer provides a detailed glossary of key terms and key passages, all accompanied by generous citations to the relevant pages in the University of Chicago Press Mansfield Winthrop translation. *The Chicago Companion* will serve generations of readers as an essential guide to both the man and his work.

The Happy Republic George E. Probst, 1968 **Tocqueville: Democracy in America** Alexis de Tocqueville, 2010-01-18 Tocqueville's *Democracy in America*, written by legendary author Alexis de Tocqueville, is widely considered to be one of the greatest books of all time. This great classic will surely attract a whole new generation of readers. For many, *Democracy in America* is required reading for various courses and curriculums. And for others who simply enjoy reading timeless pieces of classic literature, this gem by Alexis de Tocqueville is highly recommended. Published by Classic Books International and beautifully produced, *Tocqueville's Democracy in America* would make an ideal gift and it should be a part of

everyone's personal library *Tocqueville's Dilemmas, and Ours* Ewa Atanassow, 2022-10-18 How Tocqueville's ideas can help us build resilient liberal democracies in a divided world How can today's liberal democracies withstand the illiberal wave sweeping the globe What can revive our waning faith in constitutional democracy Tocqueville's Dilemmas and Ours argues that Alexis de Tocqueville one of democracy's greatest champions and most incisive critics can guide us forward Drawing on Tocqueville's major works and lesser known policy writings Ewa Atanassow shines a bright light on the foundations of liberal democracy She argues that its prospects depend on how we tackle three dilemmas that were as urgent in Tocqueville's day as they are in ours how to institutionalize popular sovereignty how to define nationhood and how to grasp the possibility and limits of global governance These are pivotal but often neglected dimensions of Tocqueville's work and this fresh look at his writings provides a powerful framework for addressing the tensions between liberalism and democracy in the twenty first century Recovering a richer liberalism capable of weathering today's political storms Tocqueville's Dilemmas and Ours explains how we can reclaim nationalism as a liberal force and reimagine sovereignty in a global age and do so with one of democracy's most discerning thinkers as our guide **Tocqueville's Dilemmas, and Ours**

Ewa Atanassow, 2025-07-29 How Tocqueville's ideas can help us build resilient liberal democracies in a divided world How can today's liberal democracies withstand the illiberal wave sweeping the globe What can revive our waning faith in constitutional democracy Tocqueville's Dilemmas and Ours argues that Alexis de Tocqueville one of democracy's greatest champions and most incisive critics can guide us forward Drawing on Tocqueville's major works and lesser known policy writings Ewa Atanassow shines a bright light on the foundations of liberal democracy She argues that its prospects depend on how we tackle three dilemmas that were as urgent in Tocqueville's day as they are in ours how to institutionalize popular sovereignty how to define nationhood and how to grasp the possibility and limits of global governance These are pivotal but often neglected dimensions of Tocqueville's work and this fresh look at his writings provides a powerful framework for addressing the tensions between liberalism and democracy in the twenty first century Recovering a richer liberalism capable of weathering today's political storms Tocqueville's Dilemmas and Ours explains how we can reclaim nationalism as a liberal force and reimagine sovereignty in a global age and do so with one of democracy's most discerning thinkers as our guide

Alexis de Tocqueville: Democracy in America (LOA #147) Alexis de Tocqueville, 2004-02-09 An exclusive new translation of the most perceptive and influential book ever written about American politics and society the bible on democracy The Texas Observer This Library of America volume presents de Tocqueville's masterpiece in an entirely new translation the first to fully capture his style and provide a rigorous faithful rendering of his profound ideas and observations Alexis de Tocqueville a young aristocratic French lawyer came to the United States in 1831 to study its penitentiary systems His nine month visit and subsequent reading and reflection resulted in this landmark masterpiece of political observation and analysis In *Democracy in America* Tocqueville vividly describes the unprecedented social equality he found in America and explores

its implications for European society in the emerging modern era His book provides enduring insight into the political consequences of widespread property ownership the potential dangers to liberty inherent in majority rule the vital role of religion in American life and the importance of civil institutions in an individualistic culture dominated by the pursuit of material self interest He also probes the deep differences between the free and slave states writing prophetically of racism bigotry and prejudice in the United States Brought to life by Arthur Goldhammer s clear fluid and vigorous translation this volume of Democracy in America is the first to fully capture Tocqueville s achievements both as an accomplished literary stylist and as a profound political thinker

Tocqueville's Political Economy Richard Swedberg,2009-02-02 Alexis de Tocqueville 1805-59 has long been recognized as a major political and social thinker as well as historian but his writings also contain a wealth of little known insights into economic life and its connection to the rest of society In Tocqueville s Political Economy Richard Swedberg shows that Tocqueville had a highly original and suggestive approach to economics one that still has much to teach us today Through careful readings of Tocqueville s two major books and many of his other writings Swedberg lays bare Tocqueville s ingenious way of thinking about major economic phenomena At the center of Democracy in America Tocqueville produced a magnificent analysis of the emerging entrepreneurial economy that he found during his 1831-32 visit to the United States More than two decades later in The Old Regime and the Revolution Tocqueville made the complementary argument that it was France s blocked economy and society that led to the Revolution of 1789 In between the publication of these great works Tocqueville also produced many lesser known writings on such topics as property consumption and moral factors in economic life When examined together Swedberg argues these books and other writings constitute an interesting alternative model of economic thinking as well as a major contribution to political economy that deserves a place in contemporary discussions about the social effects of economics

Reader's Guide to American History Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Tocqueville James T. Schleifer,2018-10-22 Alexis de Tocqueville a French aristocrat paradoxically famous for his insights into democracy and equality is one of history s greatest analysts of American society and politics His contributions to political theory and sociology are of enduring significance This book from one of the world s leading experts is a clearly written and accessible introduction to Tocqueville s social and political theories Schleifer guides readers through his two major works

Democracy in America 1835 40 and The Old Regime and the Revolution 1856 as well as his working papers correspondence and other writings Schleifer examines Tocqueville s essential themes and explores the various meanings of his key terms including equality democracy liberty and revolution He combines a skillful exposition of Tocqueville s analysis of the beneficial and harmful consequences of democracy with a crystal clear discussion of his often overlooked economic ideas and social reform proposals Schleifer traces both the overall unity and the significant changes in Tocqueville s ideas demonstrating the complexity and subtlety of his thought and the importance of his legacy It will be essential reading for all scholars students and general readers interested in the history of political thought political theory American politics and sociology The Reader's Adviser ,1986 Alexis de Tocqueville: Selected Letters on Politics and Society Alexis de Tocqueville,2023-11-10 This title opens a new window into the life and thought of Alexis de Tocqueville presenting him as not only a political thinker but also a person deeply shaped by the tensions and ideals of his time Known for Democracy in America Tocqueville s insights into American democracy have often overshadowed his reflections on French society friendship and personal struggles This compilation of letters many unpublished in English before spans his political career his friendships and his inner conflicts revealing his ongoing battle between intellectual ideals and the harsh realities of the political landscape His letters bring to light a Tocqueville who was both drawn to political action and increasingly disillusioned by the self serving nature of his era s middle class Tocqueville s correspondence reveals a figure influenced by both Enlightenment rationalism and Romanticism s emphasis on feeling and individuality While often critical of Romantic melancholy he was himself plagued by existential doubt and frustration over the limited impact of his political actions He viewed society s growing emphasis on materialism and self interest as symptoms of a broader decline leaving him torn between admiration for civic virtues and disappointment in the era s lack of ambition Religion and friendship emerge as stabilizing forces in his life with his close bond with Gustave de Beaumont standing out as a source of both comfort and challenge The letters show how Tocqueville s personal relationships and ethical convictions shaped his intellectual pursuits and his concerns for France s future The editors Roger Boesche and James Toupin present these letters with careful translation and thorough contextual notes giving readers both the historical background and access to Tocqueville s unique literary style The work provides readers with a portrait of a man wrestling with the challenges of his age caught between democratic ideals and the evolving reality of French society For modern readers these letters illuminate how Tocqueville s personal struggles informed his enduring political insights highlighting his belief in community and civic duty as essential defenses against tyranny This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 **The Certeau Reader** Michel de Certeau,2000

Democracy in America Alexis de Tocqueville, 2010-01-18 Democracy in America Volume 1 written by legendary author Alexis De Tocqueville is widely considered to be one of the greatest books of all time This great classic will surely attract a whole new generation of readers For many Democracy in America Volume 1 is required reading for various courses and curriculums And for others who simply enjoy reading timeless pieces of classic literature this gem by Alexis De Tocqueville is highly recommended Published by Classic Books International and beautifully produced Democracy in America Volume 1 would make an ideal gift and it should be a part of everyone's personal library [Reading Tocqueville](#) R. Geenens, A. De Dijn, Annelien De Dijn, 2007-11-09 This volume sets up a dialogue between the historical and the contemporary Tocqueville How does a contextualization of Tocqueville or a focus on his embeddedness in nineteenth century political culture add to our understanding of his political thought How has the use of his writings in political debate influenced the reception of his work

Correspondence & Conversations of Alexis de Tocqueville with Nassau William Senior from 1834 to 1859; Nassau William Senior, Alexis de Tocqueville, 2018-10-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The College Reader** Sue Lonoff de Cuevas, 1993 **Tocqueville** Lucien

Jaume, 2013-03-21 A major intellectual biography of Tocqueville that restores democracy in America to its essential context Many American readers like to regard Alexis de Tocqueville as an honorary American and democrat as the young French aristocrat who came to early America and enthralled by what he saw proceeded to write an American book explaining democratic America to itself Yet as Lucien Jaume argues in this acclaimed intellectual biography Democracy in America is best understood as a French book written primarily for the French and overwhelmingly concerned with France America Jaume says was merely a pretext for studying modern society and the woes of France For Tocqueville in short America was a mirror for France a way for Tocqueville to write indirectly about his own society to engage French thinkers and debates and to come to terms with France's aristocratic legacy By taking seriously the idea that Tocqueville's French context is essential for understanding Democracy in America Jaume provides a powerful and surprising new interpretation of Tocqueville's book as well as a fresh intellectual and psychological portrait of the author Situating Tocqueville in the context of the crisis of authority in postrevolutionary France Jaume shows that Tocqueville was an ambivalent promoter of democracy a man who tried to reconcile himself to the coming wave but who was also nostalgic for the aristocratic world in which he was rooted

and who believed that it would be necessary to preserve aristocratic values in order to protect liberty under democracy Indeed Jaume argues that one of Tocqueville s most important and original ideas was to recognize that democracy posed the threat of a new and hidden form of despotism

Tocqueville Alexis De Tocqueville,2013-04 Alexis de Tocqueville 1805 1859 was a French political thinker and historian and wrote the famous work Democracy in America in two volumes This work is renowned for characterising the American Institutions and adding to the understanding of the United States like no other He analysed the social standards of people and the relationship between raising social standards and the free market He thereby became one of the founding fathers of sociology and political science This book is a seminal text in economic sociology Tocqueville has the capacity to stand back from the object of his study and to reflect deeply and at times with wit whilst offering the reader his incisive clarity This collection includes both volumes of Democracy in America in addition it includes the Recollections of Alexis de Tocqueville his thoughts and observations on the French Revolution another work demonstrating his shrewd objective perspective He identified the hazards of the course that his country was taking and also the difficulties of ensuring that there was both equality and freedom It is a first hand account of the upheavals that the country suffered over the months of the revolution consequently it is exhilarating honest and thrilling to read Tocqueville s analysis is relevant for any democracy and consequently this work is relevant far beyond the borders of France

Yeah, reviewing a ebook **Tocqueville Reader** could increase your close links listings. This is just one of the solutions for you to be successful. As understood, skill does not recommend that you have fabulous points.

Comprehending as competently as covenant even more than extra will have enough money each success. neighboring to, the publication as with ease as keenness of this Tocqueville Reader can be taken as well as picked to act.
