## **The Ruby Coverup:**

**The Ruby Cover-up** Seth Kantor,1980-11      **Who was Jack Ruby?** Seth Kantor,1978 Veteran newsman Seth Kantor an eyewitness to the execution of Lee Harvey Oswald spent four years finding answers to the numerous questions regarding Jack Ruby and now throws new light into the JFK assassination amazon com      **It's Time for the Truth!** Charles E.

Hulburt,2014-11-21 Containing a synopsis of every facet of the assassination that stunned a nation and the subsequent investigations this volume is the essential reference tool for experts and novices alike Overviews and details of events conflicts cover ups and profiles of prominent theorists are clearly presented in this primer With rigorous research and documentation the author provides the most compelling and complete text ever written about the crime of the century

*Act of Retribution* J.P. Phillips,2010-03-17 My quest for an answer to the riddle of President Kennedy's assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student My search has lasted well over twenty years Gathering every scrap of information I could find on the assassination I have arrived at what I believe is the most credible thesis to date As a result of meticulous research I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy 2 JACK RUBY Dallas night club owner who two days following the Presidents assassination shot and killed Oswald 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy As to the motives of those individuals involved in the Presidents murder I believe that the assassination was planned and carried out with a dual purpose in mind 1 as an act of vengeance by those ex high government officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being implemented Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest Notwithstanding

his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons for his stand on civil rights and racial equality for his attempt to closely regulate the oil and gas industry for his desire to normalize relations with Cuba for his desire to ease tensions between the superpowers through a reduction in armaments for his crackdown on organized crime for his stated intention to withdraw U S forces from Vietnam Removing him from office by political murder therefore excused his killers in their own eyes from any wrongdoing for by killing this President they were convinced that they were acting in the national interest against the seemingly dangerous policies of a chief executive who if allowed to finish his presidency would lead the nation to ruin A wise mind will never censure anyone for having employed any extraordinary means for preserving a kingdom Believing like Machiavelli that they were acting to preserve and maintain

**The Road to Dallas** David Kaiser, 2009-11-30 Neither a random event nor the act of a lone madman the assassination of President John F Kennedy was an appalling and grisly conspiracy This is the unvarnished story With deft investigative skill David Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government's campaign against organized crime which began in the late 1950s and accelerated dramatically under Robert Kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate Fidel Castro The seeds of conspiracy go back to the Eisenhower administration which recruited top mobsters in a series of plots to assassinate the Cuban leader The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions The agency's links with the Mafia continued in the Kennedy administration although the President and his closest advisors engaged in their own efforts to overthrow Castro thought this skulduggery had ended Meanwhile Cuban exiles right wing businessmen and hard line anti Communists established ties with virtually anyone deemed capable of taking out the Cuban premier Inevitably those ties included the mob The conspiracy to kill JFK took shape in response to Robert Kennedy's relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement Pushed to the wall mob leaders merely had to look to the networks already in place for a solution They found it in Lee Harvey Oswald the ideal character to enact their desperate revenge against the Kennedys Comprehensive detailed and informed by original sources **The Road to Dallas** adds surprising new material to every aspect of the case It brings to light the complete frequently shocking story of the JFK assassination and its aftermath

**The Lone Hand**, 1915 **The Churchman**, 1906 Cover-up Stewart Galanor, 1998 Describes the assassination of President John F Kennedy using photographic evidence eyewitnesses and new information **The Advance**, 1911 *Journal of Microscopy and Natural Science; the Journal of the Postal Microscopical Society and the Wesley Naturalists' Society*, 1891 *Final Judgment* Michael Collins Piper, 1995 **The Amateur Photographer & Photography**, 1918 The Journal of Microscopy and Natural Science, 1891 **The Journal of Microscopy and Natural Science: the Journal of the Postal Microscopical Society**

,1891     **Investigation of the Assassination of President John F. Kennedy** United States. Warren Commission,1964  
Warren Commission hearings     *The Congregationalist* ,1895     *American X-ray Journal* ,1899     **The Photographic  
News** ,1890     **Country Guide and Nor'west Farmer** ,1913     Tainting Evidence John F. Kelly,Phillip Wearne,1998 This
