**Wisconsin Central Company is the Owner of the Wisconsin Central Railroad Company ...** ,18?? Wisconsin Central Limited Frank W. Jordan, Frank W. Jordon, 1997 In only ten years the Wisconsin Central Limited has grown from a ragtag collection of castoff engines and railcars operating along former Soo Line routes to become one of the most successful aggressive and exciting regional railroads in the United States Wisconsin Central Limited is a photographic history of the railroad through its first decade

**North American Railroad Family Trees** Brian Solomon, 2013-10-20 The history of railroading in North America is as much a story of boardroom intrigue as it is a story of the brute force that stamped thousands of miles of train track across a rugged continent Today's nine U S and Canadian Class I railroads are the result of well over a century of convoluted bankruptcies mergers acquisitions and expansions North American Railroad Family Trees marks the first time in book form that this major aspect of railroad history has been presented in a clear graphic format helping the railfan make sense of the many smaller train lines that shaped North American rail as it is today In these pages renowned rail author Brian Solomon takes a visual and chronological approach presenting 50 family trees in the style of human lineages The story begins with the railroads of the Golden Age 1890 1930 continuing through the second wave of consolidations between the World Wars the merger mania of the 1950s through the 1970s the creation of major passenger networks and the megamergers of the last three decades that have left railroading close to its current incarnation Solomon even offers a selection of maps tracing the evolution of the North American rail system and diagrams proposing what if scenarios for the industry's future Including chapter by chapter narrative overviews of key eras along with a selection of rare photography and period advertising to lend historical context North American Railroad Family Trees provides an unprecedented retrospective of the continent's iconic rail network
