"The" Book of Wisdom Trilogy Rosalia Aguilar Solace,2024 **Wisdom Trilogy** April Ryedale,2002-04-01 The Wisdom Trilogy April Ryedale,2002-04-01 This composite volume of The Wisdom Trilogy is a mythical story about the family of Wisdom which is in effect a poetic study of the emergence of consciousness in human form The unfolding of consciousness becomes apparent as the Wisdom generations make response to their Earth experience largely of race gender and environment The concepts of ascent and descent are major themes which are made explicit throughout the story while modes of perception are embodied in human form as this holds the key to the dramatic story of evolution The story has been speeded up to cover the period from 1900 to the middle of this present century thus giving the reader some familiar points of reference to work with *The Risk Takers* Martin Renee,Martin Don,2011-05-14 The Risk Takers is about ordinary people all with good ideas who faced daunting challenges but took a leap of faith and started their own business The book tells the stories of the personal and professional journeys of sixteen fascinating men and women who built hugely successful multimillion dollar companies They started with very little opted to strike out on their own and struggled with disappointment and failure Yet they overcame adversity and through persistence and resiliency determined their own destiny You ll meet the founders of companies familiar to most Americans Geek Squad Curves Liz Lange Maternity Kinko s Paul Mitchell Spanx Amy s Kitchen along with nine others Don and Renee Martin successful entrepreneurs in their own right personally interviewed these men and women whose inspiring stories demonstrate it s never been easy to start your own business and navigate it through all the inevitable storms to ultimate success in any economy in any era But it can be done The personal stories in this volume remind us of what is possible when you combine an inspired business idea with faith and tenacity It s the right book at the right time it s time to resurrect The American Dream A Biblical Text and Its Afterlives Yvonne Sherwood,2000 This book charts the mutations of a particularly buoyant sliver of Bible text the book of Jonah as it latches onto Christian and Jewish motifs and anxieties passes through highbrow and lowbrow culture and finally becomes something of a scavenger among the ruins as in its most resourceful move to date it begins to live off the demise of faith Written at a point between Cultural Studies Jewish Studies Literature and Art this book is concerned with those versions of the biblical that escape proper disciplinary boundaries it shifts the focus from Mainstream to Backwater interpretation It is less a navigation of interpretative history and more an interrogation of larger political cultural issues anti Judaism in Biblical Studies the secularisation of the Bible and the projection of the Bible as credulous ingenu naive Other to our savvy post Enlightenment selves Figures of Time David Ben-Merre,2018-02-01 Figures of Time proposes radically new ideas about the very poetic ground of culture Presenting unique close readings of six modern poets Wallace Stevens W B Yeats H D Hilda Doolittle Ezra Pound Langston Hughes and T S Eliot David Ben Merre brings recent theoretical questions about the rhetoric of modernism and poetic figuration into current discussions in critical theory He argues that poetic spaces often disjunctions

of sound and sense disrupt our culturally inherited notions of time reimagining with an often irrational and anachronistic backward glance what we take to be historical chronologies psychological perceptions of time and collective scripts about causality

The Meaning of Mary Magdalene Cynthia Bourgeault, 2010-09-14 The author of *The Wisdom Jesus* takes readers on a journey to discover the real Mary Magdalene and finds a powerful ancient model for 21st century spirituality Mary Magdalene is one of the most influential symbols in the history of Christianity yet if you look in the Bible you'll find only a handful of verses that speak of her How did she become such a compelling saint in the face of such paltry evidence In her effort to answer that question Cynthia Bourgeault examines the Bible church tradition art legend and newly discovered texts to see what's there She then applies her own reasoning and intuition informed by the wisdom of the ages old Christian contemplative tradition What emerges is a radical view of Mary Magdalene as Jesus's most important disciple the one he considered to understand his teaching best That teaching was characterized by a nondualistic approach to the world and by a deep understanding of the value of the feminine Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity how Christians and others can through her find their way to Jesus's original teachings and apply them to their modern lives
