

# Witches Children

**Jennifer Miskec, Annette Wannamaker**

## Witches Children:

**The Witch's Child** Arthur Yorinks,2007-10-01 Desiring a child of her own Rosina the witch fashions one out of straw and scraps but when she cannot bring the rag child to life she becomes enraged and turns the village children into shrubs where they stay until a kind girl discovers the discarded doll and saves her *The Witch's Children and the Queen* Ursula Jones,2004 When the two older witch s children use their magic to create trouble in the park the Little One knows how to fix the problem *The Children of Witches* Sherri Smith,2010 Married to a drunken tavern keeper Anna Wirth takes comfort in her two sons hard working Konrad and the beautiful flaxen haired Manfred who sings like an angel and who some say has been touched by God **The Witch's Children** Ursula Jones,2003-05-15 When the two older witch s children use their magic to create trouble in the park the Little One knows how to fix the problem *Classworks Fiction and Poetry Year 6* Julie Orrell,Eileen Jones,2004 Brand new Classworks Literacy Texts give you high quality flexible resources tailored to meet current Strategy requirements Ordered into blocked units specifically to match the medium term plan these books provide banks of photocopiables allowing you to dip in as and when you need material to fit the Literacy sample plans A simple easy to use bank of Texts only no lesson plans 50 pages of photocopiable resources per book Blocked units to fit in with the medium term plan Up to date material for both the new and experienced teacher Complements supports any teacher s resource literacy title **Demonology and Witch-Hunting in Early Modern Europe** Julian Goodare,Rita Voltmer,Liv Helene Willumsen,2020-08-11 Demonology the intellectual study of demons and their powers contributed to the prosecution of thousands of witches But how exactly did intellectual ideas relate to prosecutions Recent scholarship has shown that some of the demonologists concerns remained at an abstract intellectual level while some of the judges concerns reflected popular culture This book brings demonology and witch hunting back together while placing both topics in their specific regional cultures The book s chapters each written by a leading scholar cover most regions of Europe from Scandinavia and Britain through to Germany France and Switzerland and Italy and Spain By focusing on various intellectual levels of demonology from sophisticated demonological thought to the development of specific demonological ideas and ideas within the witch trial environment the book offers a thorough examination of the relationship between demonology and witch hunting Demonology and Witch Hunting in Early Modern Europe is essential reading for all students and researchers of the history of demonology witch hunting and early modern Europe **Witches' Children** Patricia Clapp,1982 During the winter of 1692 when the young girls of Salem suddenly find themselves subject to fits of screaming and strange visions some believe that they have seen the devil and are the victims of witches Recreates the terror of the Salem witch trials as seen through the eyes of Mary Warren one of ten girls who were thought to be possessed **Children Against Witches** Ronald Seth,1969 **Here There be Witches** Jane Yolen,1997-08 Presents an illustrated collection of sixteen stories and poems about witches wizards and warlocks *Witch Child* Celia Rees,2009-05-12 In 1659 fourteen year old Mary Newbury keeps a journal of her voyage

from England to the New World and her experiences living as a witch in a community of Puritans near Salem Massachusetts

*The Witches: Plays for Children* Roald Dahl,2017-11-28 THE WITCHES by Roald Dahl adapted for school plays Dare you take on the role of the Grand High Witch Children will have a splendiferous time and their friends won t believe their gogglers Roald Dahl the best loved of children s writers was born in Wales of Norwegian parents His books continue to be bestsellers despite his death in 1990 and worldwide booksales are over 100 million **The Early Reader in Children's**

**Literature and Culture** Jennifer Miskec,Annette Wannamaker,2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe **Witch Tales for Kids** Andrew Lang,2011-07-01 Eight short stories about witches are selected from several books of fairy tales by Andrew Lang and others These tales are designed to be fascinating reading for young children The tales are 1 The Dead Witch 2 The Witch 3 The Witch and the Sun s Sister 4 The Witch and Her Servants 5 The Witch 6 The Witch in the Stone Boat 7 Esben and the Witch and 8 The Witch s Granddaughter Children have enjoyed reading these fairy tales for years and it is good to find them in one single volume **Children's Catalog** H.W. Wilson Company,1917 The 1st ed includes an index to v 28 36 of St Nicholas *The European Witch-Hunt* Julian Goodare,2016-05-12 The European Witch Hunt seeks to explain why thousands of people mostly lower class women were deliberately tortured and killed in the name of religion and morality during three centuries of intermittent witch hunting throughout Europe and North America Combining perspectives from history sociology psychology and other disciplines this book provides a comprehensive account of witch hunting in early modern Europe Julian Goodare sets out an original

interpretation of witch hunting as an episode of ideologically driven persecution by the godly state in the era of the Reformation and Counter Reformation Full weight is also given to the context of village social relationships and there is a detailed analysis of gender issues Witch hunting was a legal operation and the courts rationale for interrogation under torture is explained Panicking local elites rather than central governments were at the forefront of witch hunting Further chapters explore folk beliefs about legendary witches and intellectuals beliefs about a secret conspiracy of witches in league with the Devil Witch hunting eventually declined when the ideological pressure to combat the Devil s allies slackened A final chapter sets witch hunting in the context of other episodes of modern persecution This book is the ideal resource for students exploring the history of witch hunting Its level of detail and use of social theory also make it important for scholars and researchers

**The Children's Garland** Coventry Patmore,1884 **The Witch's Children Go to School** Ursula Jones,2008 In this third electrifying title the witch s children s friend Gemma is scared about her first day at school So the Little One turns her into an ogre to give her courage but ogres don t fit in at school Never mind The Little One has a solution to turn the whole school into a storybook which is a good place for an ogre The trouble is the witch s children are very good at doing spells but not so good at undoing them who can help *The Salem Witch Trials - History 5th Grade | Children's History Books* Baby Professor,2017-12-01 The Salem Witch Trials has inspired several films documentaries and TV series which only goes to show how interesting they were But instead of just believing fiction why don t you learn the facts yourself You can read this book and gather as much information as you could about the trivial trials Get a copy today **The Children's Garland from the Best Poets. Selected and Arranged by Coventry Patmore** Coventry Patmore,1873

*Encyclopedia of Witchcraft* Richard M. Golden Director, Jewish Studies Program,2006-01-30 The definitive compilation on witchcraft and witch hunting in the early modern era exploring significant people places beliefs and events Encyclopedia of Witchcraft The Western Tradition is the definitive reference on the age of witch hunting approximately 1430 1750 its origins expansion and ultimate decline Incorporating a wealth of recent scholarship in four richly illustrated alphabetically organized volumes it offers historians and general readers alike the opportunity to explore the realities behind the legends of witchcraft and witchcraft trials Over 170 contributors from 28 nations provide vivid documented descriptions and analyses of witchcraft trials and locations folklore and beliefs magical practices and deities influential texts and the full range of players in this extraordinary drama witchcraft theorists and theologians historians and authors judges clergy and rulers the accused and their persecutors Concentrating on Europe and the Americas in the early modern era the work also covers relevant topics from the ancient Near East including the Hebrew and Christian Bibles classical antiquity and the European Middle Ages
