Wells,2018-06-26 The Sleeper Awakes A Revised Edition of When the Sleeper Wakes by H G Wells A troubled insomniac in 1890s England falls suddenly into a sleep like trance from which he does not awake for over two hundred years During his centuries of slumber however investments are made that make him the richest and most powerful man on Earth But when he comes out of his trance he is horrified to discover that the money accumulated in his name is being used to maintain a hierarchal society in which most are poor and more than a third of all people are enslaved Oppressed and uneducated the masses cling desperately to one dream that the sleeper will awake and lead them all to freedom We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience The Sleeper Awakes Herbert George Wells,1920 *Fairy Tales of London* Hadas Elber-Aviram,2021-01-28 Finalist for the 2023 Mythopoeic Scholarship Award for Myth and Fantasy Studies From the time of Charles Dickens the imaginative power of the city of London has frequently inspired writers to their most creative flights of fantasy Charting a new history of London fantasy writing from the Victorian era to the 21st century *Fairy Tales of London* explores a powerful tradition of urban fantasy distinct from the rural tales of writers such as J R R Tolkien Hadas Elber Aviram traces this urban tradition from Dickens through the scientific romances of H G Wells the anti fantasies of George Orwell and Mervyn Peake to contemporary science fiction and fantasy writers such as Michael Moorcock Neil Gaiman and China Mi ville **H.G.
