Entries detailing career works published literary awards and prizes membership and contact addresses where available. An extensive listing of major international literary awards and prizes and winners of those prizes. A directory of major literary organizations and literary agents. A listing of members of the American Academy of Arts and Letters. *The Not So Odd Couple* Les Young, 2012-11. The Not Odd So Odd Couple tells the story of two gay men Les and Warren how they met and fell in love and about the hardships they faced in the early sixties concealing their sexuality at a predominately homophobic time although they found that they fitted in well with all forms of society. Their path took them to places where they worked among iron ore miners then back to the city where they threw outrageous parties and worked in a variety of different jobs. They grew tired of the city life and headed off to the country to try their hand at living off the land and become self sufficient but after years of drought they decided to return to a suburban lifestyle in a small coastal town. By now as they realised they were getting older their love for each other had grown even stronger and they became more concerned for each other's welfare and then sadly after 46 wonderful years together they were parted by the untimely death of Warren.

SOMETHING ABOUT THE AUTHOR. Anne Commire, 1973. **State of Ridicule** Dan Sperrin, 2025-04-29. A history of political satire in English literature from its Roman foundations to the present day. Satire is a funny aggressive and largely oppositional literature which is typically created by people who refuse to participate in a given regime's perception of itself. Although satire has always been a primary literature of state affairs and although it has always been used to intervene in ongoing discussions about political theory and practice there has been no attempt to examine this fascinating and unusual literature across the full chronological horizon. In *State of Ridicule* Dan Sperrin provides the first ever longue dure history of political satire in British literature. He traces satire's many extended and discontinuous trajectories through time while also chronicling some of the most inflamed and challenging political contexts within which it has been written. Sperrin begins by describing the Roman foundations and substructures of British satire paying particularly close attention to the core Roman canon Horace Persius and Juvenal. He then proceeds chronologically populating the branches of satire's family tree with such figures as Chaucer Jonson Dryden Swift Pope and Dickens as well as a whole series of writers who are now largely forgotten.

Satire Sperrin shows can be a literature of explicit statements and overt provocation but it can also be notoriously indirect oblique suggestive and covert complicated by an author's anonymity or pseudonymity Sperrin meticulously analyses the references to transient political events that may mystify the contemporary reader He also presents vivid and intriguing pen portraits of the satirists themselves along the way Sperrin argues that if satire is to be contended with and reflected upon in all its provocative complexity and if it is to be seen as anything more than a literature of political vandalism then we must explore the full depth and intrigue of its past This book offers a new starting point for our intellectual and imaginative contact with an important and fascinating kind of literature

Journal of the Royal Sanitary Institute, 1953 Journal of the Royal Sanitary Institute Royal Society of Health (Great Britain), 1953 **The Baker's Apprentice** J'aime Wells, 2025-05-15 He's a baker Not a traitor An enemy of the kingdom The worst thing baker's apprentice Hanno has done is burn some cream puffs Wait all right he might have accepted a tiny bit of magical help with his baking From a secret source Was that a bad idea When he was rejected as a wizard's apprentice Hanno needed a new path So he apprenticed with a pastry baker instead It's a respected career with a bright future He's been making friends and finding a place in the kitchen When the baking lessons got challenging he didn't ask for help But the pressure to succeed got intense The offer of magical help popped up and he just didn't say no Now the King's Wizard is looking for a traitorous rogue magic user Hanno has a bad feeling it might be himself Ridiculous right Bakers don't get beheaded for treason Probably *The Baker's Apprentice* is a cozy gently funny fantasy with themes of friendship family and found family along with just the slightest risk of execution Violence is minimal and off screen It's a full length novel 90k words and is perfect for fans of *T Kingfisher's A Wizard's Guide to Defensive Baking* or *Delemhach's The House Witch*
