Without Precedent:

Without Precedent Joel Richard Paul, 2019-02-19 From the author of *Unlikely Allies* and *Indivisible* comes the remarkable story of John Marshall who as chief justice statesman and diplomat played a pivotal role in the founding of the United States No member of America s Founding Generation had a greater impact on the Constitution and the Supreme Court than John Marshall and no one did more to preserve the delicate unity of the fledgling United States From the nation s founding in 1776 and for the next forty years Marshall was at the center of every political battle As Chief Justice of the United States the longest serving in history he established the independence of the judiciary and the supremacy of the federal Constitution and courts As the leading Federalist in Virginia he rivaled his cousin Thomas Jefferson in influence As a diplomat and secretary of state he defended American sovereignty against France and Britain counseled President John Adams and supervised the construction of the city of Washington D C This is the astonishing true story of how a rough cut frontiersman born in Virginia in 1755 and with little formal education invented himself as one of the nation s preeminent lawyers and politicians who then reinvented the Constitution to forge a stronger nation *Without Precedent* is the engrossing account of the life and times of this exceptional man who with cunning imagination and grace shaped America s future as he held together the Supreme Court the Constitution and the country itself

Without Precedent Lisa Graves, 2025-09-30 A devastating passionate takedown of Chief Justice John Roberts s Supreme Court by a Washington insider Jane Mayer author of *Dark Money* In the last twenty years the US Supreme Court has radically curtailed voting rights undermined anti corruption measures encouraged extreme political gerrymandering restricted the regulation of guns and obliterated the constitutional right to control one s reproductive choices This transformation was orchestrated by a billionaire backed reactionary political movement whose interests Chief Justice John Roberts has been all too willing to serve *Without Precedent* explodes the falsehood that Roberts is a fair minded institutionalist who works to blunt the worst impulses of other Republican appointees to the court when in fact he has led the rightward transformation of the court s jurisprudence while presiding over the most corrupt and corrupted Supreme Court in American history Informed by Lisa Graves s experience working on judicial issues for all three branches of the federal government and based on years of intensive research *Without Precedent* not only exposes Roberts as the reactionary politician in robes he has always been but delivers a vigorous plan of judicial reform designed to overcome the divisive discriminatory destructive and anti democratic machinations of the Roberts court
