The Processes and Practices of Fair Trade Brigitte Granville, Janet Dine, 2013 Fairtrade has established itself as a distinct phenomenon within the realm of global consumerism Fairtrade aims to protect small producers against price volatility and inadequate incomes as well as to provide community benefits health care education It relies on consumer purchases of FT products carried out at agreed minimum prices These purchases measure the trust accorded to the scheme which is founded on a system of certification comprising a series of recommended producer welfare enhancing standards that FT products must satisfy

Human Rights and Capitalism Janet Dine, A. Fagan, 2006-01-01 Human Rights and Capitalism brings together two important facets of the globalization debate and examines the complex relationship between human rights property rights and capitalist economies Human rights issues have become increasingly important in this debate and their place as harbingers of justice or as an instrument of oppression is fiercely contended Both sides of this issue are considered in the contributions to this book and the complex relationships between human rights human dignity and capitalist economies are the themes running throughout the work Appearing at a time when these issues are a subject of extreme controversy this book is distinguished by its balanced and academic approach
