The papers are organized in topical sections on service enhanced products, service composition, collaborative ecosystems, platform requirements, cloud based support, collaborative business frameworks, service design, e governance, collaboration in traditional sectors, collaboration motivators, virtual organization, breeding environments, collaboration spaces, designing collaborative networks, cost benefits and performance, identification of patterns, co innovation and competitiveness, collaborative behavior models and risks, governance, trust.

**Digital Humanities Research Methods** Vikrant Iyer, 2025-02-20. *Digital Humanities Research Methods* offers a comprehensive exploration into the methodologies employed within the interdisciplinary field of digital humanities. Through a blend of theoretical insights and practical guidance, we equip readers with the tools necessary to conduct rigorous and innovative research in the digital realm. Covering a wide array of topics, this book delves into the unique challenges and opportunities presented by digital technologies in the humanities. We address key concepts such as data collection, analysis, visualization, and interpretation within the context of digital scholarship. Additionally, the text examines the ethical considerations inherent in digital research, emphasizing the importance of responsible and transparent practices. One of the book's strengths lies in its emphasis on interdisciplinary collaboration. By encouraging scholars from various backgrounds to engage with digital methods, we foster a rich exchange of ideas and approaches, ultimately enhancing the breadth and depth of research in the humanities. Whether readers are seasoned practitioners or newcomers to the field, *Digital Humanities Research Methods* serves as an invaluable resource for navigating the complexities of digital scholarship and pushing the boundaries of inquiry in the digital age.

*Global Communication* Pavel Slutskiy, 2025-08-06. This textbook equips students with essential media and communication skills for today's interconnected world. Developed as a key companion text for the Global Communication Project (GlobCom), an initiative spanning five continents, the book presents the key concepts that underpin effective communication on a global scale and guides the reader through project development, covering cross-cultural communication processes and virtual collaboration dynamics. In today's rapidly evolving global communication landscape, professionals with expertise in global public relations (PR) are in high demand. For students looking to develop their global PR competences, the GlobCom Project offers an authentic experience aligned with industry expectations and is a platform for related courses to draw from. This textbook provides both theoretical and practical material to enhance students' learning experience and serves as a valuable resource for lecturers and advanced undergraduate and
