[Good Data in Business and Professional Discourse Research and Teaching](#) Geert Jacobs, Sofie Decock, 2021-01-27
This edited book engages with the richly interdisciplinary field of business and professional communication aiming to reconcile the prescriptive ambitions of the US centred business communication tradition with the more descriptive approach favoured in discourse studies and applied linguistics A follow up to the award winning book *The Ins and Outs of Business and Professional Discourse Research* Palgrave

Macmillan 2016 this volume brings together scholars and their recent work from wide ranging business and professional settings to engage with the question of what counts as good data The authors focus on four key themes authenticity triangulation background and relevance to shine a light on business and professional discourse as essential contextual and intertextual This book will be of interest to scholars working in applied linguistics sociolinguistics and business communication but also other social scientists interested in a range of perspectives on oral written and digital language use in workplace settings

Digital Nomads. How the era of digitalization creates alternative lifestyles Lisa-Marie Wagner, 2020-06-18 Bachelor Thesis from the year 2020 in the subject Business economics Business Management Corporate Governance grade 1 6 language English abstract In this paper the phenomenon of digital nomadism in permanent employment is presented In general digital nomads are characterized by their independence of location their employment in the digital space and common values Most of them are freelancers and entrepreneurs but also employees who are part of this movement want to leave the conservative concept of normal employment and break new ground First the changes in the business world and the emergence of digital nomadism were presented in this paper Due to a lack of literature guideline based expert interviews were conducted to gain insight into the opportunities and risks of the multi local lifestyle concept for employees and companies In addition the framework conditions for companies and digital nomads required by this work and life concept were examined and presented in detail Such a framework condition can mean for example the adaptation of processes and leadership There are also differences between completely remote companies and only partially remote companies which can lead to a split company structure In this context the similarities and differences between traditional telework and digital nomadism in permanent employment were also examined These are similar for example regarding the technical prerequisites that should be created in companies and the changed communication In addition there are challenges and opportunities that arise from the travel component and the nature of digital nomadism such as negatively impaired processes due to time differences or certain characteristics and experiences that digital nomads possess or experience that can be used positively in a professional context Thus this work not only serves a scientific purpose but also provides a practical framework for employing digital nomads in traditional companies

The Design of a Luxury Car Center in Bangkok Amir Kamyabi, 2020-12-14 Bachelor Thesis from the year 2019 in the subject Art Architecture History of Construction course Interior Architecture language English abstract This thesis proposes a design that explores the value of experience and entertainment during servicing in order to create a more user friendly experience and satisfaction for the customer Through exhibitions we will be able to showcase luxury car brands And the use of a gathering space and a co working and conventional space would be the base for interactions between users The car service center would be a mixed use service The thesis will utilize architectural and design techniques for more interactive spaces so that users become more familiar with the history of luxury car brands and the direction different brands are headed towards It will serve as a place of

exhibition sales and services as well holding conferences to utilize the building and the hotels connected This building will act as a land mark that attract luxury users Thonburi District The Luxury Car Center will be located near the intersection of Charoen Nakhon and Rama III in order to both benefit from such a mixture of a service community and center so that other car service costumers in the area also could utilize this active space This center will act as a mixture of the past present and future A center that drives on fulfilling the needs of customers

The Memo Rachel Dodes, Lauren Mechling, 2024-06-18 The perfect summer read a novel both quick and funny *Airmail* A total joyride of a novel *The Memo* is a funny fascinating exploration of love friendship ambition and what it truly means to live a good life I loved it J Courtney Sullivan New York Times bestselling author of *Commencement* *Maine* and *Friends and Strangers* If you could rewrite your life story would you dare That's the question at the heart of this funny sharp and propulsive debut novel about love life and a woman finding herself and what it means to be happy and successful Do you ever feel like your life doesn't measure up to everyone else's and wonder if you just didn't get the memo helping you make the right choices Jenny Green dreads her upcoming college reunion Once top of her class the thirty five year old finds herself stuck in a life that isn't the one she expected Her promising career has flamed out literally and her deadbeat boyfriend is cheating on her again All her friends seem to have it all figured it out enjoying glittering lives and careers that she can only envy from the sidelines Did she just not get the memo they all did As it turns out she didn't When she arrives at her alma mater for the festivities she receives a text from an unlisted number Jenny Green please collect your memo Somewhere on campus a discreet female led

organization provides comprehensive memos to select students a set of instructions that are a blueprint for success The first time around Jenny didn't receive hers Now she's being given the second chance she wants an opportunity to relive her life and make all the right decisions this time around But at what price Smart addictive bittersweet and ultimately triumphant The Memo will enchant readers of *In Five Years* and *Cassandra in Reverse* as well as fans of Emma Straub and Maria Semple

The Lost Art of Connecting: The Gather, Ask, Do Method for Building Meaningful Business Relationships Susan McPherson, 2021-03-23 Named a Best Business Book of 2021 by Soundview Magazine Reclaim the power of genuine human connection Networking is often considered a necessary evil for all working professionals With social media platforms like LinkedIn Twitter Instagram and Facebook at our disposal reaching potential investors or employers is much easier Yet these connections often feel transactional agenda driven and dehumanizing leaving professionals feeling burnt out and stressed out Instead we should connect on a human level and build authentic relationships beyond securing a new job or a new investor for your next big idea To build real and meaningful networking contacts we need to go back to basics remembering that technology is a tool and more than just a means to an end We need to tap into our humanity and learn to be more intentional and authentic As a serial connector and communications expert Susan McPherson has a lifetime of experience building genuine connections in and out of work Her methodology is broken down into three simple steps Gather Instead of waiting for the perfect networking opportunity to come to you think outside the box and create your own opportunity Host your own dinner party join a local meet up group or volunteer at your neighborhood food pantry Ask Instead of leading with our own rehearsed elevator pitches asking for help ask to help opening the door to share resources experience contacts and perspectives that add diversity to your own vision Do Turn new connections into meaningful relationships by taking these newly formed relationships deeper Follow through on the promises you made and keep in touch Woven together with helpful tips and useful advice on making the most out of every step this book draws on McPherson's own experience as a renowned serial connector as well as the real life success stories of friends and clients Filled with humor humility and wisdom *The Lost Art of Connecting* is the handbook we all need to foster personal and professional relationships that blur the lines between work and play and enrich our lives in every way

Pro Coworking Spaces Introduction

In the digital age, access to information has become easier than ever before. The ability to download Pro Coworking Spaces has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Pro Coworking Spaces has opened up a world of possibilities. Downloading Pro Coworking Spaces provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Pro Coworking Spaces has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Pro Coworking Spaces. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pro Coworking Spaces. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Pro Coworking Spaces, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Pro Coworking Spaces has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
