Teek, 2021-10-19 What The Hell's Wrong With America is a book about well what the hell's wrong with America It is the author's contention that the one thing that causes more acrimonious intent thoughts and acts than anything anyone can point to is race Are you black or white What makes you black or white How did you become Hispanic How did you become an Arab even if you've never been to Saudi Arabia The answers may not be what you think According to the author this is due to the lack of the average man and woman's understanding of the truth about what race is and what race is not The author contends that as long as people keep referring to themselves as what they are referring to themselves as this country as well as the world will never experience the peace and prosperity they profess to want The author states Everyone wants to have a Conversation about race but no one wants to consider that both sides will be starting and engaging in dialogue with false premises In short lies In this book you will be asked powerful common sense questions about race that in the author's words you have never been asked before The author goes on to examine effective problem solving the importance of having not just knowledge but correct knowledge what evil is as well as the different forms that it manifests itself in and how evil relates to the context of race as we have been taught to perceive it the fictitious cultures both black and white people have created in an effort to solidify their concepts of these void constructs of black and white and a lot more The author started this book in 2015 at the height of civil unrest following several incidents of unarmed black men who were killed by police In Chapter Five the book explains how not to be killed during or at the end of a police interaction There's even a LGBTQ section dealing with the author's views and insights on gay marriage While the author states that the instructions given in this chapter may not be feasible for everyone the chapter is a must read And even though the author states that there will be secrets left untold it will be impossible for you to leave this book without a commitment to reexamine everything you have been taught Starting with race This book is a must read if you have been seeking insights on the truth about an issue that has in one way or another touched us all Is America divided Yes But it doesn't have to be Read this book to understand how we got that way and what we can do to stop being that way This book goes a long way to help one understand What The Hell's Wrong With America And that's a good thing Most Dangerous Sherwood Kent, 2016-01-01 A deeper understanding of the occult aspects of 9/11 and the Kennedy assassination The year is 2013 the 50th anniversary of the JFK assassination and Kent discovers that he and the rest of the unwitting citizenry of Tupelo Mississippi are enmeshed in a year long series of scripted events meticulously planned and brilliantly executed by some of the most ruthless diabolically creative powerful psychopaths on the planet From a critical look at the suspicion arousing Boston bombings to new revelations about the Kennedy assassination and the Zapruder film the author weaves tantalizing insights into a range of historical events that help the reader better understand the breadth and depth of the villainy with which Kent is faced *The Theosophical Quarterly*, 1916 *Theosophical Quarterly*, 1916 **The Story of**
