Catherine Portuges, Margo Culley

Sinister Wisdom 20 Spring 1982:

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology

Routledge Library Editions: Feminist Theory Various, 2021-08-07 Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from *The Liberation of Women* to *Feminists and State Welfare* from *Married to the Job* to *Julia Kristeva* this set provides in one place a wealth of important reference sources from the diverse field of gender studies

Gendered Subjects (RLE Feminist Theory) Catherine Portuges, Margo Culley, 2013-05-20 The phrase feminist pedagogy couples the contemporary and the traditional joining current political movements with a concern for the transmission of knowledge more ancient than the Greek word for teaching Now two decades after the first Women's Studies courses appeared on campuses their place in higher education happily needs little demonstration *Gendered Subjects* combines a number of classic statements on feminist pedagogy from the 1970s with recent original essays making significant and original contributions to the field As the new scholarship on women has changed the content and structure of knowledge in every field so this collection aims to mirror this impact on feminist pedagogy with articles ranging from broad theoretical perspectives on the realities of the classroom to international explorations on how race gender and class and political orientation inform feminist enquiry

Contemporary Lesbian Writers of the United States Sandra Pollack, Denise Knight, 1993-10-11 The first comprehensive biographical critical and bibliographical source on lesbian writers this reference book features essays on 100 contemporary writers of poetry fiction and drama in the United States Many had written as self identified lesbians at some point during the 1970-1992 period of coverage Each essay comprises a biography with personal history often derived from interviews an analysis of major works and themes an overview of the critical reception and bibliographies of primary works and of critical studies and reviews The volume introduction by Tucker P Farley situates contemporary lesbian literature in its historical and political contexts Appendices list publishers of lesbian writers and periodicals featuring lesbian writing An extensive bibliography provides nonfiction resources focusing on lesbian issues including works in psychology sexuality parenting health history and theory as well as literature A companion to *Contemporary Gay American Novelists* A Bio Bibliographical Critical Sourcebook edited by Emmanuel S Nelson Greenwood Press 1993 this work will be an important addition to college and university libraries supporting gay and lesbian and women

s studies programs and literary curricula incorporating this material It will also be a valuable resource for public and school libraries and collections and specialists in American literature providing information and analysis for understanding the expanding literary canon

Theorizing Feminism Anne C. Herrmann, Abigail J. Stewart, 2018-05-04 In the past three decades feminist scholars have produced an extraordinary rich body of theoretical writing in humanities and social science disciplines This revised and updated second edition of *Theorizing Feminism Parallel Trends in the Humanities and Social Sciences* is a genuinely interdisciplinary anthology of significant contributions to feminist theory This timely reader is creatively edited and contains insightful introductory material It illuminates the historical development of feminist theory as well as the current state of the field Emphasizing common themes and interests in the humanities and social sciences the editors have chosen topics that remain relevant to current debates reflect the interests of a diverse community of thinkers and have been central to feminist theory in many disciplines The contributors include leading figures from the fields of psychology literary criticism sociology philosophy anthropology art history law and economics This is the ideal text for any advanced course on interdisciplinary feminist theory one that fills a long standing gap in feminist pedagogy

Reading Adrienne Rich Jane Roberta Cooper, 1984 Celebrates and interprets the work of this major poet and feminist theorist
