Edgar Allan Poe

Sister To Scheherazade:

A Sister to Scheherazade Assia Djebar, 1987 The story of how Isma and Hajila wives of the same man escape from the traditional restraints imposed upon the women of their country

Algeria Cuts Ranjana Khanna, 2008 Algeria Cuts discusses the figure of woman both under colonial rule in Algeria and within the postcolonial independent nation state It is an interdisciplinary project that spans fine art film colonial and legal policy manifestos prose fiction and theoretical and philosophical texts concerning the relationship between France and Algeria Khanna investigates gendered representation identification and justice and in the process calls into question the ways in which conventional disciplinary frameworks foreclose certain avenues of reflection while foregrounding others Algeria Cuts seeks to understand Algeria and Algerian women as a philosophical site that facilitates an understanding of justice and the pursuit of feminism

My Sister, My Soul Joan Friday, 2021-03-22 Two sisters two kings and an ancient kingdom in the balance Each one's fate depends on a story Are the sisters strong enough to endure palace intrigue betrayal and the king's bitterness Each day may be their last as each night Scheherazade weaves a tale which doesn't end But even that may not be enough if the phoenix doesn't return Will they be able to soften the king's heart in time or will their plan crumble like the kingdom around them My Sister My Soul is written with a prelude four movements an intermezzo and a coda to remind readers of Rimsky Korsakov's orchestral piece Scheherazade

Scheherazade's Sisters Marilyn Jurich, 1998-08-20 Based on the author's discovery of a new folktale type the female trickster Jurich's book identifies and celebrates those female protagonists in folktales who use trickery to save themselves and others to find new directions for their lives and to declare their individual autonomies especially in societies that diminish and oppress women Through creative strategies depending on verbal facility psychological acuity and diplomatic know how these women tricksters better named trickstars uncover the absurdity hypocrisy and corruption in the larger patriarchal society Through the trickstar's efforts the system is circumvented or foiled often enlightened and usually improved This multicultural comparative study reveals universal human traits as well as gender differences between female and male tricksters and realizes the values and attitudes which shape the trickstar's character and behavior Trickstars also appear outside of the oral folktale tradition the author discusses their roles in contemporary feminist revisionist tales as well as in mythology biblical narratives Shakespearean comedy novels plays and opera How the female trickster differs from her male counterpart is for the first time in folklore studies illustrated through a comparison of their functions in the narrative scheme of the tale These functions include the diverting or amusing role the morally ambiguous or reprehensible role the role of the manipulator or strategist and the role of the transformer or culture bringer who reforms and improves the nature of her society Jurich delineates the specific types of tricksters who perform these functions suggests how trickstar tales variously affect listeners and readers and shows how particular types of trickstar characters contribute to the intent of the tale Feminist views of the protagonists are analyzed as well as contemporary revisionist tales which seek to reverse negative

female images and to present independent women characters who can and do make positive contributions to society For the first time in folklore studies both female and male tricksters are defined and differentiated their functions are illustrated through analyzing narrative schemes and the term trickstar invented by the author is used to define and describe a female trickster
