THE 6TH DAY

Sixth Day

RM Cervero

Sixth Day:

The Decameron Sixth Day in Perspective David Lummus,2021-06-01 The Sixth Day of Giovanni Boccaccio s Decameron marks a new beginning Its first story is the structural centre of the one hundred tales and signals the start of the day s reflection on the power of the word as the fundamental building block of human communication This collection gathers together readings of each of the ten stories in Day Six of the Decameron the shortest of the entire work Featuring a diverse group of literary scholars whose expertise is not limited to Boccaccio studies the collection offers both comprehensive accounts of the tales and new interpretations of their significance A major contribution to the study of the Decameron it will also serve as an excellent starting point for new readers of Boccaccio s masterpiece The readings demonstrate how Boccaccio engaged in rethinking or elaborating on the heritage of Western literature and thought including the Bible the works of Dante the Roman literary rhetorical and legal tradition the writings of the Church Fathers and the ideas of scholastic theologians These lecturae employ a range of methodologies that account for both historical and theoretical issues in their engagement with Boccaccio s poetic and ethical project in the Decameron

Bulletin of the United States Bureau of Labor Statistics ,1913 *The Six-Day War and Israeli Self-Defense* John Quigley,2013 The war of June 1967 between Israel and Arab states was widely perceived as being forced on Israel to prevent the annihilation of its people by Arab armies hovering on its borders Documents now declassified by key governments question this view The UK USSR France and the USA all knew that the Arab states were not in attack mode and tried to dissuade Israel from attacking In later years this war was held up as a precedent allowing an attack on a state that is expected to attack It has even been used to justify a pre-emptive assault on a state expected to attack well in the future Given the lack of evidence that it was waged by Israel in anticipation of an attack by Arab states the 1967 war can no longer serve as such a precedent This book seeks to provide a corrective on the June 1967 war
