Skeleton In Gods Closet:

The Skeletons in God's Closet Joshua Ryan Butler, 2014-10-21 How can a loving God send people to hell Isn't it arrogant to believe Jesus is the only way to God What is up with holy war in the Old Testament Many of us fear God has some skeletons in the closet Hell judgment and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide These hard questions leave many wondering whether God is really good and can truly be trusted The Skeletons in God's Closet confronts our popular caricatures of these difficult topics with the beauty and power of the real thing Josh Butler reveals that these subjects are consistent with rather than contradictory to the goodness of God He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God's goodness From fresh angles Josh deals powerfully with such difficult passages as The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately The Skeletons in God's Closet uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole It pulls the skeletons out of God's closet to reveal they were never really skeletons at all

Skeleton in God's Closet Paul L. Maier, Ph.D., 1995-01-01 *A Skeleton in God's Closet* Paul L. Maier, 2007-09 When an ancient skeleton is discovered in Israel will it shed new light on the life of Jesus or plunge the world into chaos Dr Jonathan Weber Harvard professor and biblical scholar is looking forward to his sabbatical year on an archaeological dig in Israel But a spectacular find that seems to be an archaeologist's dream come true becomes a nightmare that many fear will be the death rattle of Christianity Carefully researched and compellingly written *A Skeleton in God's Closet* explores the tension between faith and doubt when science and religion collide In the end it's a thought provoking page turner driven by one man's determination to find the truth no matter what the cost *A SKELETON IN GODS CLOSET*, **Skeleton in Gods Closet** Paul L. Maier, 1994-08-23 *A Skeleton in God Closet* Paul L. Maier, 1995-12-19 From the author of Pontius Pilate comes a fascinating novel of archaeological adventure The evidence seems incontestable bones unearthed in an Israeli tomb are those of Jesus of Nazareth But which is the hoax the archaeological find or the Resurrection itself *A Skeleton in God's Closet* Woody Keim, Craig Tolson, Andrew Horton, 199? **The Constantine Codex** Paul Maier, 2011-05-23 Harvard Professor Jonathan Weber is finally enjoying a season of peace when a shocking discovery thrusts him into the national spotlight once again While touring monasteries in Greece Jon and his wife Shannon a seasoned archaeologist uncover an ancient biblical manuscript containing the lost ending of Mark and an additional book of the Bible If proven authentic the codex could forever change the way the world views the holy Word of God As Jon and Shannon work to validate their find it soon becomes clear that there are powerful forces who don't want the codex to go public When it's stolen en route to America Jon and Shannon are swept into a deadly race to find the manuscript and confirm its authenticity before it's lost forever **You're Not As Crazy As I Think** Randal Rauser, 2012-01-06 Randal Rauser helps us learn how to truly dialog with those who have very differing opinions from us those we so often marginalize *Secret Scrolls* Robert M.

Price,2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven't bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one's religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls

Theology in Search of Foundations Randal Rauser,2009-08-20 In the history of Western thought Christian theology was once considered to be the Queen of Sciences Today it has been marginalised by a prevailing scepticism Randal Rauser confronts the problem of developing a public voice for the theologian as engaged in true theological science while not compromising the commitment to the Christian community of faith This book posits a viable account of theological rationality justification and knowledge that avoids the twin pitfalls of modern rationalism and postmodern irrationalism Theology is freshly understood as a rigorous and rational truth seeking discipline that seeks theoretical understanding of divine reality Throughout the modern era the predominant epistemological position has been classical foundationalism a position now widely rejected by philosophers and theologians alike Philosophers recognize that it fails to achieve a plausible account of rationality justification or knowledge while theologians recognize the extent to which classical foundationalist strictures have distorted Christian doctrine In its place many philosophers and theologians alike have adopted a nonfoundationalist epistemology which is in turn often associated with a problematic alethic and metaphysical antirealism Engaging with the ideas of key thinkers from Descartes Locke and Kant to Bruce Marshall and Alvin Plantinga Rauser provides an accessible and provocative survey of the theological terrain of the modern and postmodern era arguing in favour of a return to a moderate foundationalism

[Why Trust Jesus?](#) Dave Sterrett,2010-02-17 The last decade has shaken our trust in personal safety through terrorist attacks school shootings economic turmoil and war Our trust has been shattered in other areas as we have seen hypocrisy in governmental leaders as well as in the church We

are looking for relationships that are authentic and full of life but we have many questions in regard to faith reason suffering and even the person of Jesus himself Author and speaker Dave Sterrett helps us answer these and other questions Why Should I Trust Jesus when So Many Other Spiritual Paths Exist The foundation of trusting in Jesus is that he is true But if absolute truth does not exist then to say that Jesus is the Truth is a meaningless statement Many definitions of truth fail but a good definition of truth is that which corresponds to reality simply put truth is telling it like it is Why Should I Trust Jesus When All I Need to do is Trust Myself Human knowledge is real but it has its limitations Jesus however is all knowing He knows everything about me He knows everything about you He knows what you are thinking He knows what you are feeling He understands you better than you understand yourself This is one of the many good reasons for us to pray to the Father in the name of the Son Why Should I Trust Jesus in the Midst of Suffering and Death The ultimate foundation of Christianity is a historical event the bodily resurrection of Jesus Christ A man who walked this earth in history claimed to be God died on the cross and bodily rose from the dead Many people in today s culture both Christians and non Christians have questions about why and how to trust Jesus But there is hope He is worthy of our trust [Continuity](#) ,1996 **Bowker's Guide to Characters in Fiction 2007** ,2008-02 **More Than a Skeleton** Paul L.
