Laura Vaughan

Surbiton Past:

Surbiton Past Richard Statham,1996 Surbiton Tolworth Hook and Chessington all have rich individual histories This lively book dispels the stereotypes that it is faceless and suburban Tolworth and Chessington were both Domesday Book manors while Surbiton was a village by the 12th century The district s past includes Civil Wars and a reputation as a pleasure resort well researched intriguing a must for anyone with an interest in the area Surrey Advertiser

New Suburban Stories Martin Dines,Timotheus Vermeulen,2013-09-12 Exploring fiction film and art from across the USA South America Asia Europe and Australia New Suburban Stories brings together new research from leading international scholars to examine cultural representations of the suburbs home to a rapidly increasing proportion of the world s population Focussing in particular on works that challenge conventional attitudes to suburbia the book considers how suburban communities have taken control of their own representation to tell their own stories in contemporary novels poetry autobiography cinema social media and public art

The Bystander ,1905 *London's Urban Landscape* Christopher Tilley,2019-05-07 London s Urban Landscape is the first major study of a global city to adopt a materialist perspective and stress the significance of place and the built environment to the urban landscape Edited by Christopher Tilley the volume is inspired by phenomenological thinking and presents fine grained ethnographies of the practices of everyday life in London In doing so it charts a unique perspective on the city that integrates ethnographies of daily life with an analysis of material culture The first part of the volume considers the residential sphere of urban life discussing in detailed case studies ordinary residential streets housing estates suburbia and London s mobile linear village of houseboats The second part analyses the public sphere including ethnographies of markets a park the social rhythms of a taxi rank and graffiti and street art London s Urban Landscape returns us to the everyday lives of people and the manner in which they understand their lives The deeply sensuous character of the embodied experience of the city is invoked in the thick descriptions of entangled relationships between people and places and the paths of movement between them What stories do door bells and house facades tell us about contemporary life in a Victorian terrace How do antiques acquire value and significance in a market How does living in a concrete megastructure relate to the lives of the people who dwell there These and a host of other questions are addressed in this fascinating book that will appeal widely to all readers interested in London or contemporary urban life
