The Last Secret Maia Caron, 2024-09-24 INSTANT NATIONAL BESTSELLER A sweeping dazzling dual timeline novel centering on two unforgettable women and their inextricable link to each other decades apart Ukraine 1944 As the world around her is ripped apart by war and infiltrated by Nazi soldiers Savka Ivanets works as a medic for the Ukrainian resistance stitching wounds by day stealing supplies by night and dodging firefights between the SS and Soviet partisans When her husband Marko a reluctant member of the Waffen SS forces her to deliver a coded message to an underground bunker she's terrified But when her mission doesn't go as planned and her son Taras is kidnapped by the KGB Savka fears she'll never see him again Salt Spring Island 1972 For Jeanie Esterhazy the world with its whispers and curious eyes is too much to bear Ever since the horrific accident that left her badly scarred Jeanie unable to remember anything about that awful day has pulled away from society utterly isolated Then a mysterious stranger appears at her house and Jeanie suddenly begins having flashbacks about the night of her wedding flashbacks that hold answers to the questions she's had for years flashbacks that make her realize the world around her is not as it seems Weaving together Savka and Jeanie's stories with artful precision The Last Secret is at once luminous and transporting a brilliant and impossible to forget story of love hope and the breathtaking resilience of women

The Great Weed Quest Tylia L. Flores, 2025-04-20 Welcome intrepid reader to the wild and wonderfully weird world of Tara Kirk Chance and Colt Prepare yourself for a journey unlike any other This isn't your typical coming of age story though it does involve a lot of coming of age awkward moments and questionable decisions Think Thelma Louise meets Dumb and Dumber with a healthy sprinkle of existential angst and a side order of chicken nuggets This story explores themes of friendship self

discovery and the challenges of navigating life with disabilities in a way that's both honest and hilariously relatable We'll be diving headfirst into the complexities of college life the hilarious chaos of a road trip and the surprisingly profound experience of trying weed for the first time for at least one of our characters We'll encounter parental disapproval questionable life choices broken down cars and a whole lot of unexpected detours both literal and metaphorical Each character brings their own unique brand of quirky brilliance and chaos to the table Tara our fearless leader navigates life with cerebral palsy with an unwavering sense of humor and a determination to conquer the world or at least the world's largest dispensary Kirk our poetic genius offers lyrical moments of levity while grappling with his learning disability Chance well Chance is Chance He's a walking talking chicken nugget obsessed comedic masterpiece And Colt He's the quiet religious one who's about to have his world turned upside down or maybe just slightly sideways So grab your snacks preferably chicken nuggets settle in and get ready for a wild ride It's going to be a bumpy one But trust me it's going to be worth it You might even learn a thing or two about yourself along the way And maybe about the surprisingly versatile uses of duct tape
